

MINUTES OF CIVIL SERVICE BOARD  
CITY OF SACRAMENTO  
REGULAR MEETING                      AUGUST 1, 1978

The regular meeting of the Civil Service Board was called to order by President Ronald Wright at 1:40 p.m. in the Personnel Department Conference Room, 801 Ninth Street.

Present: Luis Campos, Juanita Damerell, Donna Giles, Wilfred Street,  
          Ronald Wright.  
Absent: None.

AMENDMENT TO CIVIL SERVICE BOARD RULES AND REGULATIONS

a. Discussion on the Following Proposed Rule Changes:

Rule 3 Position Classification  
Rule 4 Announcements, Applicants, and Examinations  
Rule 5 Eligible Lists  
Rule 6 Certification and Appointments  
Rule 7 Probationary Period  
Additional definitions  
Renumbering of Civil Service Board Rules to correspond with  
the above proposed rule changes.

Attorney David Simmons, spokesman for the employee organizations concerning rule changes, expressed his concern that the amendments as discussed between the Board and employee organization representatives at the June 13 Civil Service Board meeting had not been reflected in the July 1978 revision of the rules. Attorney Simmons indicated that representatives of employee groups had met with Mr. Woska, Personnel Management Administrator, and had made a page-by-page review of the proposed rules. He indicated that the areas of disagreement were discussed with the Civil Service Board at the June 13 meeting, and the Board had directed staff to include certain changes.

Neither Mr. Danielson nor Mr. Woska were able to attend the June 13 Board meeting. Mr. Woska indicated that the earlier drafts had the tentative agreement of the Board. He indicated that the Board's June 13 modification of the proposed rules appeared to revert back to the existing concept of the rules, and staff was uncertain as to the Board's reasons for doing so.

The Board members reiterated that it was their intention that the rules be rewritten as directed on June 13.

After discussion, it was decided that on August 15 the Board would consider the rules as submitted to the Board at its June 13 meeting, together with the amendments made by the Board on June 13. The Board also requested that, if there is objection or concern by staff, a letter should be submitted expressing their objections and the reasons for them.

MINUTES OF JULY 18, 1978 MEETING: The minutes were approved except for the correction to be made to incorporate the wording of Mrs. Damerell's motion concerning the retesting of Firefighter applicants who had failed the physical agility test in April 1978.

REPORTS OF DIRECTOR OF PERSONNELa. Report re Review of Personnel Sections of City Charter by Personnel and Public Employees Committee of City Council

Mr. Danielson reported that the Personnel and Public Employees Committee of the City Council met on July 28, 1978, to review possible changes to the personnel sections of the City Charter. The subject area reviewed was: What should be the scope of the Civil Service System? The Committee reviewed the four different kinds of the City's personnel systems: existing Civil Service System; part-time, seasonal, and limited-term positions; Public Service Employment; and exempt, full-time officers and employees.

Mrs. Damerell attended the July 28 meeting of the Committee. She informed the Board that she, on behalf of the Board, relayed to the Committee that the Board is concerned in the development of the proposed Charter sections. She reported that Councilwoman Rudin pointed out that the policy direction should be included in the Charter, but that the Charter should not include specifics on how a matter would be accomplished re affirmative action, merit system, etc.

Mrs. Damerell indicated that she had requested the Action Summary report of the Personnel and Public Employees Committee meetings be provided Board members for their information.

b. Civil Service Board members were invited to observe the testing process of the Firefighter agility test to be held Saturday, August 5, 1978, from 8:00 a.m. to 2:00 p.m. at the Sacramento Fire Department Training Center located at 3220 J Street.

WITHDRAWAL OF APPEAL OF WILLIS CRENSHAW, MAINTENANCE WORKER II

Mr. Wesley Keyson, Business Representative for Stationary Engineers, Local 39, by letter dated July 24, 1978, withdrew the appeal of Mr. Crenshaw.

EXAMINATIONS TO BE ANNOUNCED

CIVIL SERVICE BOARD'S DECISION CONCERNING TONY FREITAS' APPEAL RE POSITION ALLOCATION AS A RESULT OF THE OPERATIONS AND MAINTENANCE CLASSIFICATION STUDY

Mr. William Woska, Personnel Management Administrator, requested clarification by the Board concerning two-to-two tie votes. Mrs. Damerell indicated that the County adopted a rule where a three-member, concurring vote is required to pass a motion. After discussion, it was decided that alternative rules be drafted for consideration by the Board concerning what happens on a two-to-two tie vote and what further action can be taken by the Board.

Mr. Freitas' appeal was considered on June 27, 1978, with four Board members present. The two motions which were made failed by two-to-two vote; therefore, the Board then deferred the matter until Mr. Street, the absent Board member, could listen to the tape recording of the hearing to enable him to cast his vote.

Mr. Street, on July 26, 1978, listened to the taped hearing.

MOTION: Mr. Street moved to grant the appeal of Tony Freitas and directed staff to allocate Mr. Freitas to an appropriate classification.

SECOND: Mr. Campos.

CARRIED: Ayes: Campos, Street, Wright.

Noes: Damerell, Giles.

PROPOSED LAYOFF RULE

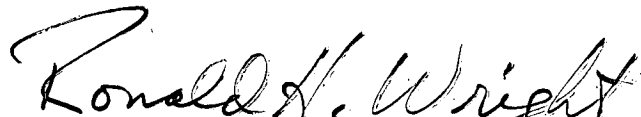

Attorney David Benjamin was unable to complete the draft of the proposed layoff rule; therefore, this item was postponed until the September 6 meeting of the Board. It was suggested by Board members that all department heads, division chiefs, and all affected employees be notified of this meeting and that they be provided a copy of the proposed layoff rule.

ASSEMBLY BILL 3130 BY ASSEMBLYMAN LEVINE

At the request of President Wright, Attorney David Benjamin reported that Assembly Bill 3130 applies basically to cities with over 250,000 population, where the City Attorney prosecutes criminal cases and also advises the City concerning civil matters. AB-3130 prohibits this dual role and requires a city to establish a separate prosecutor's office. Attorney Benjamin reported that, as the City does not prosecute criminal cases, AB-3130 does not apply to the City.

The meeting adjourned at 3:35 p.m.

  
William F. Danielson, Secretary

  
Ronald H. Wright, President
