R. H. PARKER
CITY ENGINEER
J. F. VAROZZA
ASSISTANT CITY ENGINEER

City Council
Sacramento, California

June 30, 1980

Honorable Members in Session:

SUBJECT: Recommendation of Bid Award for Installation of Fire Alarm System at Sacramento Boat Harbor (Miller Park)

SUMMARY:

The subject project, as part of the City's Capital Improvement Program, has been advertised for bids. One bid was received and the City Engineer hereby recommends bid award.

BACKGROUND:

On June 3, 1980 the City Council approved plans and specifications for Installation of Fire Alarm System at Sacramento Boat Harbor (Miller Park). One bid was received and opened by the City Clerk in the Council Chambers on June 24, 1980. The bid received is as follows:

May-Han Electric, dba	
M & M Electric	\$10,669

The engineer's construction estimate for this project was \$10,600. Although the low bid slightly exceeds the estimated construction cost we feel it is the best bid obtainable.

FINANCIAL:

On July 1, 1980 we reported to Council on the subject project and inadvertently indicated that there were insufficient funds available for this project. In F.Y. 1979/80 the City Council approved in the Community Services Budget \$35,700 of Boat Harbor funds for the subject project. Total amount currently available is \$33,665.

RECOMMENDATION:

The City Engineer recommends that the low bid of May-Han Electric, dba M & M Electric in the amount of \$10,669 be accepted.

Recommendation Approved:

APPROVED
BY THE CITY COUNCIL

Walter J. Slipe
Walter J. Slipe, City Manager
OFFICE OF THE CITY CLERK
