Plans must be submitted

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities related to the business.

2. It is essential to ensure that all financial data is properly documented and stored in a secure and accessible manner.

3. The following table provides a summary of the key findings and recommendations from the audit process.

Area	Findings	Recommendations
Financial Reporting	Inconsistent reporting periods and incomplete data.	Standardize reporting periods and ensure data completeness.
Internal Controls	Weak internal controls over financial reporting.	Strengthen internal controls and implement segregation of duties.
Compliance	Non-compliance with applicable laws and regulations.	Conduct regular compliance reviews and update policies.
