**SUBJECT:** Proposed revisions to Article IV Chapter 60 of the Sacramento City Code, relating to the Sacramento Metropolitan Arts Commission.

**SUMMARY**

This report recommends amendments to Sections 60.61, 60.65, 60.67, 60.68, 60.72, 60.73, and 60.74 of the Sacramento City Code and deletion of Sections 60.69 and 60.70 related to the Sacramento Metropolitan Arts Commission. The proposed amendments cover sections on definitions, powers, duties, and responsibilities of the Commission. Sections related to the Metropolitan Arts Fund and City-County jointly owned Acquisitions are recommended for deletion. A report recommending similar revisions to the Sacramento County Code will also be brought before the County Board of Supervisors.

**BACKGROUND**

In 1987 the Sacramento Metropolitan Arts Commission, a joint City/County agency, began a review process of the Commission's enabling legislation adopted by the City and County of Sacramento in 1977. The Commission felt that with the substantial growth of the organization over the last ten years, it was time to look at the ordinances to see whether or not the policies and procedures set forth in 1977 were still applicable

today. The Commission found that there were inconsistencies between the City and County ordinances and that in certain instances the language of the ordinances needed to conform to established City administrative policies. In addition, the Commission felt that the ordinances needed to be updated to reflect new policies and procedures adopted by the Commission concerning the Commission's annual workplan and budget review process.

The proposed changes were discussed at a special budget workshop of the Art Commission on January 24, 1987, at which County budget analyst Charlene Rasmussen and Leisure Services representative Ron Suter were present. The changes were initially reviewed by the Sacramento Metropolitan Arts Commission at its February 4, 1987 meeting and received final approval at the January 11, 1989 meeting. In addition, City Finance staff and County Administrative staff have also reviewed these changes. Both the City Attorney's Office and County Counsel have also reviewed and concur with the proposed changes.

The proposed changes involve: (1) the renumbering and prioritizing of the sections on definitions and powers and duties of the Commission and (2) the deletion of Section 60.69 regarding the Metropolitan Arts Fund is recommended because the Commission has historically followed established City policies as it relates to receipt of outside contributions, i.e., grants, which are deposited into the City's Operating Grant Fund. The deletion of Section 60.70 is proposed because there are no joint acquisitions made by the Arts Commission on behalf of the City and County.

The Metropolitan Arts Fund, a special fund, was originally established by ordinance for the purpose of receiving outside revenues, e.g. earned income, private, local, state and federal grants, for specific programs and activities. Corporate grants and other outside funds are solicited by Friends of the Arts Commission in support of the Commission's activities. These funds are also deposited into the City's Operating Grant Fund. Friends is a non-profit tax-exempt 501(c)3 agency and maintains its own funds and accounting procedures. The Sacramento Metropolitan Arts Commission submits an annual request to Friends detailing its needs for funding and proposed program for support. The current balance in the Metropolitan Arts Fund is comprised of earned income totalling \$6,529 as of October 30, 1990. This and any earned income funds received will be maintained in a special revenue fund set up through regular City accounting procedures.

#### FINANCIAL DATA

The proposed changes have no financial impact.
