City Council
Sacramento, California

Honorable Members In Session:

SUBJECT: Sidewalk Cleaning Services

SUMMARY

The Department of Public Works is requesting that the City Council extend the service contract with River City Maintenance for cleaning of downtown sidewalks from July 1, 1987 through October 30, 1987.

BACKGROUND INFORMATION

The present service contract, Bid No. 725, expired June 30, 1987. City staff is presently negotiating with the Downtown Business Association to ascertain what additional sidewalks they want cleaned within the assessment district. When this information becomes available the specifications will be updated and will be put through the formal bidding process. It is anticipated that this process will take approximately 120 days. To continue the washing of the downtown sidewalks while formal bidding is being accomplished, the present contractor has agreed to continue his services through October 30, 1987 at the present negotiated rate.

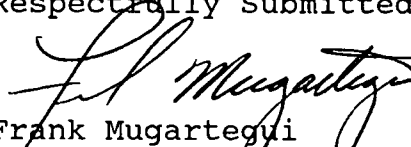

FINANCIAL DATA

No impact. Fees to cover this contract are received from the Downtown Sidewalk Cleaning Assessment District.

RECOMMENDATION

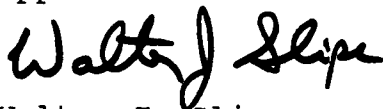

It is recommended that in the best interest of the City, the City Council authorize the extension of the present contract with River City Maintenance through October 30, 1987.

Respectfully Submitted,

Frank Mugartegui
Director of General Services

Approved
