Public Comment on items not listed on the agenda will be heard as noted on the agenda. Government Code 54950 (The Brown Act) requires that a brief description of each item to be transacted or discussed be posted at least 72 hours prior to a regular meeting. The City posts meeting agendas on the City website, at City Hall as well as offsite meeting locations. The order and estimated time for agenda items are listed for reference and may be taken in any order deemed appropriate by the legislative body.

The agenda provides a general description and staff recommendation; however, the legislative bodies may take action other than what is recommended. Full staff reports are available for public review on the City's website and include all attachments and exhibits. "To Be Delivered" and "Supplemental" reports will be published as they are received. All meeting materials are also available at the meeting for public review.

Live video streams and indexed archives of meetings are available via the internet. Visit the City's official website at http://sacramento.granicus.com/ViewPublisher.php?view_id=21.

Meeting facilities are accessible to persons with disabilities. If you require special assistance to participate in the meeting, notify the Office of the City Clerk at (916) 808-7200 at least 48 hours prior to the meeting.

Notice to Lobbyists: When addressing the legislative bodies you must identify yourself as a lobbyist and announce the client/business/organization you are representing (*City Code 2.15.160*).

General Conduct for the Public Attending Planning and Design Commission Meetings

- Members of the public attending Planning and Design Commission meetings shall observe the same rules and decorum applicable to the Members and staff as noted in the Planning and Design Commission Rules of Procedure.
- Stamping of feet, whistles, yells or shouting, physically threatening conduct, and/or similar demonstrations are unacceptable public behavior and will be prohibited by the Sergeant-at-Arms.
- Lobbyists must identify themselves and the client(s), business or organization they represent before speaking to the Planning and Design Commission.
- Members of the public wishing to provide documents to the Planning and Design Commission shall comply with the Planning and Design Commission Rules of Procedure.

Members of the Public Addressing the Planning and Design Commission

Purpose of Public Comment. The City provides opportunities for the public to address the Commission as a whole in order to listen to the public's opinions regarding non-agendized matters within the subject matter jurisdiction of the City during Regular meetings and regarding items on the Agenda at all other meetings.

- Public comments should not be addressed to individual Members nor to City officials, but rather to the Planning and Design Commission as a whole regarding City business.
- While the public may speak their opinions on City business, personal attacks on Members and City officials, use of swear words, and signs or displays of disrespect for individuals are discouraged as they impede good communication with the Planning and Design Commission.
- Consistent with the Brown Act, the public comment periods on the Agenda are not intended to be "Question and Answer" periods or conversations with the Planning and Design Commission and City officials. The limited circumstances under which Members may respond to public comments are set out in Rule 8 D 2 of the Planning and Design Commission Rules of Procedure.
- Members of the public with questions concerning Consent Calendar items may contact the staff person on the report prior to the meeting to reduce the need for discussion of Consent Calendar items and to better respond to the public's questions.

Speaker Time Limits. In the interest of facilitating the Planning and Design Commission's conduct of the business of the City, the following time limits apply to members of the public (speakers) who wish to address the Planning and Design Commission during the meeting.

- **Matters not on the Agenda.** Three (3) minutes per speaker.
- **Consent Calendar Items.** The Consent Calendar is considered a single item, and speakers are therefore subject to the three (3) minute time limit for the entire Consent Calendar. Consent Calendar items can be pulled at a Commission member's request. Such pulled Consent Calendar items will be considered individually and up to three (3) minutes of public comment per speaker on those items will be permitted.
- Each speaker shall limit his/her remarks to the specified time allotment.
- In the further interest of time, speakers may be asked to limit their comments to new materials and not repeat what a prior speaker said. Organized groups may choose a single spokesperson who may speak for the group but with no increase in time.
- Speakers shall not concede any part of their allotted time to another speaker.
