Do you want traffic calming measures in your neighborhood?

This is your opportunity to vote on the proposed traffic calming plan for your neighborhood. You must vote either yes or no for all measures indicated on this ballot. This advisory vote will determine whether the traffic calming plan will be presented to Sacramento City Council.

Your Vote Counts!

The Traffic Calming Committee, comprised of individuals from your neighborhood, has developed this plan with assistance from Sacramento City staff. All residents and businesses within the project boundary will receive a ballot.

We must receive a minimum of 25% return on the balloting. If a simple majority of ballots returned vote yes, the traffic calming plan will be submitted to Sacramento City Council for review and approval.

What will it cost you?

The Neighborhood Traffic Management Program traffic calming plan implementation is funded through Measure A. There is no cost to residents or homeowners.
