Re: P.E.R.S. BUILDING

Dear Al:

This will confirm our conversation today in which you agreed to present the plans for the proposed PERS building to the City Planning Commission on Thursday, January 7, 1982. This subject will be calendared first on the agenda. The meeting starts at 5:30 p.m. in the City Council Chambers. Arthur Gee from the City Planning Department will contact you regarding additional details. You may wish to submit some written material to the Planning Commission before the meeting.

You are also scheduled to appear before the City Council on Tuesday, January 12, 1982. I have asked the City Clerk to send you a copy of the Council agenda for that meeting.

We appreciate very much your presentation of the plans of the PERS building to the Council and Commission.

Very truly yours,

Jim Jackson

Re: P.E.R.S. BUILDING

Dear Council Members:

The City Council has indicated that it would like to work with the Public Employees Retirement System (PERS) regarding their proposed building on the old Lincoln School site.

The Mayor and I have contacted Al Dreyfuss, who is the architect for PERS on this project. He has agreed to present the proposed building plans to the City Planning Commission and the City Council.

Mr. Dreyfuss is scheduled to appear before the Planning Commission on Thursday, January 7, 1982, and before the City Council on Tuesday, January 12, 1982.

Very truly yours,
