Joy D. Patterson  
Zoning Administrator

A use for which a Special Permit or Variance is granted must be established within two years after such permit is approved. If such use is not so established the Special Permit or Variance shall be deemed to have expired and shall be null and void. A Special Permit or Variance use which requires a Building Permit shall be deemed established when such Building Permit is secured and construction thereunder physically commenced. If no building permit is required, the use shall be deemed established when the activity permitted has been commenced.

The decision of the Zoning Administrator may be appealed to the Planning Commission. An appeal must be filed within 10 days of the Zoning Administrator's hearing. If an appeal is not filed, the action of the Zoning Administrator is final.

Note: The applicant will need to contact the Public Works Department - Development Division (Anwar Ali, 264-7210) after the appeal period is over to record a certificate of compliance to complete the lot line adjustment.
