CONTACT PERSON: Michael J. Melvin, Administrative Services Officer, 264-7475

FOR COUNCIL MEETING OF: March 9, 1999

COMMITTEE/COMMISSION ACTION:

None.

City Council
Resolution Prohibiting Parking
On Certain Streets
February 17, 1999

BACKGROUND INFORMATION:

- City code allows large trucks to park unrestricted in business areas.
- This is becoming a particular problem in the South Natomas area of the City where large trucks are being parked and stored on Venture Oaks Way.
- These parked vehicles are causing a nuisance and visual blight for area businesses.
- Business owners, along Venture Oaks Way, have requested that all street parking be prohibited.
- There is adequate off street parking for employees and clients.
- Prohibiting parking only on Venture Oaks Way may simply move these trucks onto other streets.
- Signing will be placed immediately on Venture Oaks Way to prohibit all parking. The other listed streets will be signed if it becomes necessary.

FINANCIAL CONSIDERATIONS:

The cost to implement the recommended parking regulation is estimated to be \$400 for the installation of regulatory signs. Funds are available in the Street Division, Traffic Signs and Markings operating budget.

ENVIRONMENTAL CONSIDERATIONS:

The Neighborhoods, Planning and Development Services Department, Office of Environmental Affairs has reviewed the project and has determined that this project is exempt from the California Environmental Quality Act (CEQA) under Section 15301(c) of the CEQA guidelines

POLICY CONSIDERATIONS:

This recommendation is consistent with the City Council priority of neighborhood revitalization and enhancement.
