City Council  
Sacramento, California

Honorable Members in Session:

**SUBJECT: APPROVAL OF CONSULTANT SERVICES AGREEMENT WITH WEST YOST & ASSOCIATES, FOR AN AMOUNT NOT TO EXCEED \$151,488 FOR ENGINEERING DESIGN OF THE TAHOE PARK/BROADWAY PARALLEL SEWER PROJECT (PN:XM46)**

**LOCATION AND COUNCIL DISTRICT:**

The project is located in the Tahoe Park area of Sacramento in Broadway between Santa Cruz Way and 57<sup>th</sup> Street, in 53<sup>rd</sup> Street between Broadway and 11<sup>th</sup> Ave., in 44<sup>th</sup> Street between 8<sup>th</sup> and 11<sup>th</sup> Ave., in 46<sup>th</sup> Street between 12<sup>th</sup> and 13<sup>th</sup> Ave, in 47<sup>th</sup> Street between 12<sup>th</sup> and 13<sup>th</sup> Ave., in Stockton Blvd. between 11<sup>th</sup> and 13<sup>th</sup> Ave., and in Tahoe Park between 11<sup>th</sup> and 8<sup>th</sup> Ave. (see attached map). (Districts 5 & 6)

**RECOMMENDATION:**

Staff recommends that the City Council approve the attached resolution authorizing the City Manager and City Clerk to execute a Consultant Services Agreement with West Yost & Associates for an amount not to exceed \$151,488.

**CONTACT PERSON:** Gary A. Reents, Engineering Services Manager, 264-1433  
Rick Batha, Senior Engineer, 264-1448

**FOR COUNCIL MEETING OF:** June 8, 1999

**SUMMARY**

A Consultant Services Agreement with West Yost & Associates for a not-to-exceed amount of \$151,488 has been negotiated to provide engineering service for design, preparation of plans, specifications, cost estimates and construction support for the project.

City Council  
June 8, 1999  
Award Consultant Services Agreement (PN: XM46)

## **COMMITTEE/COMMISSION ACTION**

None.

## **BACKGROUND INFORMATION**

The project is part of the Combined Sewer System Improvement Plan (CSSIP) approved by the City Council in October 1995 to reduce street flooding and outflows of combined sewage to the Sacramento River and to obtain rescission of the Combined Sewer System Cease and Desist Order. The City has constructed or begun construction on major elements of the plan including reconstruction of the system's two pump stations, Sump 1 and Sump 2, and construction of major storage facilities at 42<sup>nd</sup> and R Streets and UC Davis Medical Center.

The proposed project is an additional element of the CSSIP and consists of construction of approximately 6200 linear feet of parallel and replacement combined sewer along Broadway between Santa Cruz Way and 57<sup>th</sup> Street. This project also includes the design and construction of approximately 6300 linear feet of replacement combined sewers along 44<sup>th</sup> Street, 53<sup>rd</sup> Street, 46<sup>th</sup> Street, 47<sup>th</sup> Street, Stockton Blvd., and in Tahoe Park between 11<sup>th</sup> Avenue and 8<sup>th</sup> Avenue. The project will be designed to significantly reduce flooding along 44<sup>th</sup> Street, 53<sup>rd</sup> Street, and in the vicinity of Tahoe Park by increasing the storage capacity of the combined sewer system in the affected areas.

## **ENVIRONMENTAL CONSIDERATIONS**

Environmental considerations will be addressed in conjunction with the design and the appropriate level of environmental review under the California Environmental Quality Act will be conducted prior to seeking approval of project construction.

## **FINANCIAL CONSIDERATIONS**

Funding for this Consultant Services Agreement is available in Combined Sewer Fund Capital Improvement Program, Tahoe Park/Broadway Parallel Sewer Project (414/425-500-XM46). Sufficient funding is available to award this contract.

## **POLICY CONSIDERATIONS**

The CSSIP is consistent with past City Council direction and satisfies requirements that led to the rescission of the Cease and Desist Order issued by the Regional Water Quality Control Board. Consultant procurement and bidding will be consistent with Sacramento City Code, Chapter 58 and 59.

City Council  
June 8, 1999  
Award Consultant Services Agreement (PN: XM46)

**ESBD CONSIDERATIONS**

West Yost & Associates is certified as a small business and will achieve a participation level of 100%.

Respectfully submitted,

---

Gary A. Reents,  
Engineering Services Manager
