3. Street Tree Task Force Appointments

DISCUSSION

Bob Thomas, Director of Parks and Community Services, explained that the Council, at a previous meeting, had requested the establishment of a temporary task force to review the twenty-year elm reforestation and arterial street tree planting program. Gene Robinson, Parks Superintendent, informed the committee that the proposed task force members were carefully selected and included people violently opposed to the removal of elm trees and people in support of the current policy. Selection of the members was based primarily on their background, experience, and reputation.

REPORT(S) BACK: None

ACTION: The committee directed staff to forward the report to the full City Council for adoption.
