The Honorable Phillip L. Isenberg
Mayor, City of Sacramento
915 I Street, City Hall
Sacramento, CA 95814

Dear Mayor Isenberg:

During the months of December, 1980 and January, 1981, the city removed street parking in front of our retail store without prior announcement to either the retail merchants or the property owners.

Since January we have been seeking a solution to our problem by discussing remedies with the city traffic engineer and with Councilman Lloyd Connelly. Recently, an impasse has developed.

I would appreciate an opportunity to address the full city council in an effort to effect a prompt and equitable solution. Your favorable reply will be appreciated. Thank you.

Sincerely,

Ron Baroni
