Adopted by the Sacramento City Council

December 12, 2006

ESTABLISHING DEL PASO NUEVO LANDSCAPING COMMUNITY FACILITIES DISTRICT NO. 2006-06; PROVIDING FOR THE LEVY OF A SPECIAL TAX FOR LANDSCAPING MAINTENANCE SERVICES; AND CALLING A SPECIAL ELECTION ON THE QUESTION OF LEVYING THE SPECIAL TAX AND ESTABLISHING AN APPROPRIATIONS LIMIT

BACKGROUND:

- A. The City Council (the "Council") of the City of Sacramento (the "City") has duly adopted Resolution No. 2006-814 (the "Resolution") on November 9, 2006 wherein the Council declared its intention to and proposed to establish a community facilities district under and pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982," being Chapter 2 5, Part 1, Division 2, Title 5 of the Government Code of the State of California (the "Act"), and Chapter 3.124 of the Sacramento City Code ("Chapter 3.124"), to be known and designated as the "Del Paso Nuevo Landscaping Community Facilities District No. 2006-06" (the "District"), to finance the maintenance and related services (the "Services") in and for the District under and pursuant to the Act and Chapter 3.124 (which are services that the City is authorized by law to provide and that are necessary to meet increased demands placed upon the City as a result of development occurring and anticipated to occur in the District), and which Services are generally described as specified in Exhibit A, attached hereto and incorporated herein by this reference. The cost of the Services includes incidental expenses for the services, including the costs of planning the Services, together with the costs of environmental evaluations thereof, and all costs associated with the creation of the District, the determination of the amount of any taxes or the collection or payment of any taxes and costs otherwise incurred in order to carry out the authorized purposes of the District, together with any other expenses incidental to provision of the Services.
- B. The Resolution of Intention fixed a time and place for a public hearing at which the City Council would consider (1) the establishment of the District; (2) the proposed rate, method of apportionment, and manner of collection of a special tax to finance providing the Services for the District; and (3) all other matters set forth in the Resolution of Intention.
- C. A report on the proposal to establish the District was prepared by the City's Development Engineering Manager of the Development Services Department in accordance with the Resolution of Intention. The City Council has reviewed the report, which is incorporated into this resolution and made a part of the record of the public hearing on the Resolution of Intention.

- D. In accordance with the Resolution of Intention, the City Council convened a public hearing at 2:00 p.m. on Tuesday, December 12, 2006, in the City Council's regular meeting place: City Council Chambers, Sacramento City Hall, 915 I Street, first floor, Sacramento, California. At the hearing, the City Council considered the establishment of the District, the proposed rate, method of apportionment, and manner of collection of the special tax, and all other matters set forth in the Resolution of Intention. All persons interested in these matters, including all taxpayers, property owners, and registered voters within the boundaries of the District, were given an opportunity to appear and be heard, and the City Council heard and considered the testimony of all such interested persons for or against the following: the establishment of the District, the levy of the special tax, the extent of the district, the types of Services proposed to be provided, and any other matters set forth in the Resolution of Intention. The special tax was not precluded by a majority protest under Government Code section 53324, and at the conclusion of the hearing the City Council was fully advised in the premises and was authorized to proceed as provided in this resolution.
- E. On the basis of all the foregoing, the City Council has determined to call an election within the District to authorize the following. (1) the levy of a special tax on real property within the District to pay for the Services proposed to be provided for the District (the rate, method of apportionment, and manner of collection of the tax are more particularly described in Exhibit B to this resolution); and (2) the establishment of an appropriations limit for the District.
- F. The City Council is fully advised in this matter.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Council finds and determines that the Background Statements A through F are true and correct.
- Section 2. The City Council approves the Resolution of Intention and confirms all of its determinations and findings. The rate, method of apportionment, and manner of collection of the special tax for the District are set forth in Exhibit B to this resolution. Upon recordation of a notice of special tax lien in accordance with Streets and Highways Code section 3114.5, a continuing lien to secure each levy of the special tax will attach to all nonexempt real property in the District. The lien will continue in effect until the collection of the special tax ceases or the lien is canceled in accordance with law.
- Section 3. The City Council determines and finds that written protests against the establishment of the District, the levy of the special tax, the extent of the District, and the types of Services to be provided do not constitute a majority protest under the Act. Accordingly, the City Council overrules all protests to the establishment of the District, to the levy of the special tax,

the extent of the District, the types of Services to be provided, or the establishment of an appropriations limit for the District.

- Section 4. The City Council determines and finds that all of its prior proceedings with respect to the establishment of the District are valid and conform to the requirements of the Act. Accordingly, the City Council determines and orders, consistent with the Resolution of Intention and in accordance with the Act, that the District is established and that the boundaries of the District are as set forth in Exhibit C to this resolution.
- Section 5. Except when funds are otherwise available, a special tax will be levied annually on real property within the District in an amount sufficient to do the following, as appropriate: (a) pay for the Services; (b) repay funds advanced by the City for the District; and (c) repay advances of funds or reimburse the value or cost (whichever is less) of work provided in kind for the District under agreements between the City and the persons or entities advancing the funds or providing the work (these agreements will not constitute debts or liabilities of the City). The special tax will be secured by recordation of a continuing lien against all nonexempt property in the District. Exhibit B to this resolution sets forth the rate, method of apportionment, and manner of collection of the special tax in sufficient detail to allow each landowner or resident within the District to estimate the maximum amount that the landowner or resident will have to pay.
- Section 6. In accordance with Government Code section 53317.3, the City Council intends to levy the special tax on property that is not otherwise exempt from the special tax and is acquired by a public entity through a negotiated transaction or by gift or devise.
- Section 7. In accordance with Government Code section 53317.5, the City Council intends to treat the special tax levied against property that is acquired by a public entity through eminent domain proceedings as if it were a special annual assessment.
- Section 8. In accordance with Government Code section 53340.1, the City Council intends to levy the special tax on the leasehold or possessory interests in property owned by a public agency and otherwise exempt from the special tax.
- Section 9. A special election is ordered to be held, in accordance with the Act, applicable law, and this resolution, on Thursday, December 28, 2006, in the territory comprised by the District. At the special election, the question of levying the special tax on real property within the District and establishing an appropriations limit (as defined by article XIII B, section 8, subdivision (h) of the California Constitution) in the amount of \$17,600 per fiscal year for the District will be submitted to the landowners within the District (who are the electors and persons qualified to vote at the special election).

Section 10. The City Clerk is designated as the official to conduct the special election in accordance with the Act, applicable law, and the following provisions.

(a) The special election will be held and conducted, the votes canvassed and the returns made, and the results ascertained and determined, all as provided in this section 11. In all particulars not prescribed by this resolution, the special election will be held and conducted and the votes received and canvassed in the manner provided by law for holding of general elections in the City and consistent with the Act.

(b) All landowners within the District on the date of the special election will be qualified to vote on the proposition submitted at the special election.

(c) The special election will be conducted as a mailed-ballot election in accordance with Elections Code sections 4000, 4002, 4003, 4004, and 4108 and the City's prior proceedings under those sections, and there will be no polling places for the special election. The City Clerk is directed to deliver all ballots to the qualified electors, and all voted ballots must be received at the City Clerk's office by 5:00 p.m. on the election day to be counted. If, however, all qualified electors have voted before that date and time, then the election will be closed.

(d) To vote for levying the special tax and establishing the appropriations limit, a voter must mark a cross (+) in the blank space opposite the word "YES" on the ballot to the right of the proposition. To vote against levying the special tax and establishing the appropriations limit, a voter must mark a cross (+) in the blank space opposite the word "NO" on the ballot to the right of the proposition. A cross (+) may be marked with either pen or pencil.

(e) The City Clerk shall commence the canvass of the returns of the special election at 5:00 p.m. on Thursday, December 28, 2006, at the City Clerk's office, Historic Sacramento City Hall, 915 I Street, first floor, Sacramento, California, and at the conclusion of the canvass shall determine the results of the special election. If all the qualified voters have voted before that date and time, then the City Clerk shall close the special election and proceed to canvass the returns and determine the results.

(f) The City Council shall meet at its regular meeting on Tuesday, January 9, 2007, at 2:00 p.m. at its usual meeting place and declare the results of the special election, and shall cause to be spread upon its minutes a statement of the results of the special election as ascertained by the canvass.

Section 11. If two-thirds of the votes cast upon the question of levying the special tax and establishing the appropriations limit are cast in favor of levying the special tax and establishing the appropriations limit, as determined by the City Council after reviewing the canvass of the returns of the election, then the City Council may levy the special tax within the territory of the District in accordance with the Act, in the amount and for the purposes specified in this resolution, and the appropriations limit will be established for the District, as defined by article XIII B, section 8, subdivision (h) of the California Constitution. The special tax may be levied only at the rate and may be apportioned only in the manner specified in this resolution, subject to the Act, except that the special tax may be levied at a rate lower than the rate specified in Exhibit B. The special tax may be levied only so long as it is needed to pay for the Services (including the repayment of funds advanced for the District).

Section 12. The Administrative Technician, Special Districts, Planning Department of the City, 915 I Street, Sacramento, California 95814 (telephone 916-808-8970) will be responsible for preparing annually a current roll of special tax levy obligations by Sacramento County Assessor's parcel numbers, and will be responsible for estimating future special tax levies pursuant to Government Code section 53340.1.

Notwithstanding the foregoing, the actual Special Tax levied on a Parcel of Developed Property in any Fiscal Year may be less than the Maximum Special Tax if a lower Special Tax is calculated pursuant to Section D below.

D. METHOD OF LEVY AND COLLECTION OF THE SPECIAL TAX

The Administrator shall determine the Special Tax Requirement to be collected each Fiscal Year, and the Special Tax shall be levied proportionately on each parcel of Developed Property up to 100% of the Maximum Special Tax for such Fiscal Year until the amount levied is equal to the Special Tax Requirement for the Fiscal Year. The Special Taxes for CFD No. 2006-06 shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that the City may directly bill the Special Taxes and may collect Special Taxes at a different time or in a different manner if needed.

E. LIMITATIONS

Notwithstanding any other provision of this Rate and Method of Apportionment of Special Tax, no Special Tax shall be levied on Parcels that are not Developed Property, as defined herein.

F. INTERPRETATION OF SPECIAL TAX FORMULA

Interpretations may be made by Resolution of the Council for purposes of clarifying any vagueness or ambiguity as it relates to the Special Tax rates, method of apportionment, classification of properties or any definition applicable to the CFD.

G. APPEALS

Any taxpayer who feels that the amount of the Special Tax assigned to a Parcel is in error may file a notice with the City appealing the levy of the Special Tax. The City shall then promptly review the appeal and, if necessary, meet with the applicant. If the City verifies that the Special Tax should be modified, a recommendation at that time will be made to the Council and, as appropriate, the Special Tax levy shall be corrected and, if applicable in any case, a refund shall be granted.
