Honorable Members in Session:

SUBJECT: Report on Bids for "R" Street - 2ND STREET TO 10TH STREET AND
ADJOINING STREETS

SUMMARY:

The subject project, as part of the City's Capital Improvement Program, has been advertised for bids. Bids have been received and the City Engineer recommends that this report be filed pending recommendation of bid award at a later date.

BACKGROUND:

On June 2, 1981 the City Council approved plans and specifications for the subject project and bids were received and opened by the City Clerk in the Council Chambers on June 23, 1981. The bids received are as follows:

Granite Construction Co.	\$1,009,755.80
C. V. O'Neill, Inc.	1,048,045.80
Teichert Construction	1,214,444.05
R. C. Collet, Inc.	1,220,256.00
T & S Construction	1,328,737.50

The engineer's estimate for this project was \$1,366,089.00. Although the low bid is below the engineer's estimate, an additional analysis of the project is necessary before a valid recommendation can be made.

RECOMMENDATION:

The City Engineer recommends that this report be filed and recommendation of bid award be made at a later date.

Respectfully submitted,

M. H. Johnson
