Honorable Members in Session:

SUBJECT: Metropolitan Arts Division/California Arts Council  
Grant

SUMMARY

This report recommends that Council, by resolution, approve submittal of a grant application under the California Arts Council's State/Local Program and authorize the City Manager to sign all grant-related agreements.

BACKGROUND

This is the ninth consecutive year of the County and the Sacramento Metropolitan Arts Commission's participation in the State/Local Partnership Program (SLPP). At the Board of Supervisors meeting of March 15, 1988 the County of Sacramento designated the Sacramento Metropolitan Arts Commission (a joint City/County agency), as its local partner for the state's program.

The objectives of the SLPP program are to:

- 1) provide for the growth and development of those Local Partners that have been designated by local governments to participate in the State-Local Partnership Program;
- 2) increase private and public funding for the arts; and
- 3) increase cultural participation among underserved populations in the state.

The program makes available three competitive grants - a \$15,000 Level One grant to provide general operating and partial salary support to the Metropolitan Arts Commission; a request in Level Two of \$23,000 in support of a grants program for individual artists; and a \$5,000 pilot program grant designed to provide technical assistance to multicultural arts groups.

FINANCIAL DATA

The total grant request is \$43,000. No City funds are required under the State/Local Partnership Program.

RECOMMENDATION

It is recommended that the Budget and Finance Committee approve this report and forward it to the full Council for final action. Further, it is recommended that Council, by resolution, approve submittal of a grant application under the State/Local Partnership program and authorize the City Manager to sign all grant-related agreements.

Respectfully submitted,
