Adopted by the Sacramento City Council

March 10, 2015

WEED AND RUBBISH ABATEMENT IN THE CITY OF SACRAMENTO

BACKGROUND

- A. The Community Development Department has prepared a list of City parcels that have not been maintained free of weeds and rubbish in accordance with Government Code §39561.
- B. On February 17, 2015, the City Council adopted Resolution No. 2015-00113 setting a public hearing in the City Council Chambers to consider all objections to the proposed abatement of weeds and rubbish from parcels of property situated within the City of Sacramento. These parcels were identified in Exhibit A to Resolution No. 2015-00113, and in Exhibit A to this resolution.
- C. All property owners of the parcels in Exhibit A to Resolution No. 2015-00113, and in Exhibit A to this resolution were mailed a notice on February 24, 2015, of said public hearing in accordance with Government Code §39567 and §39567.1.
- D. Property owners were given the opportunity to object to the abatement of weeds and rubbish via phone, email, and mail as well as during the scheduled public hearing.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. Owners of parcels declared to constitute public nuisances have been notified of the public hearing on March 10, 2015, in accordance with Government Code §39567 and §39567.1. These parcels are identified in Exhibit A of this Resolution.
- Section 2. All objections to the abatement by the City of Sacramento of weeds, rubbish, refuse, and/or dirt upon the parcels identified in Exhibit A have been considered.
- Section 3. The Community Development Director is hereby ordered to abate the public nuisances by having the weeds, rubbish, refuse, and/or dirt removed from the parcels of property set forth in Exhibit A.

Section 4. If property owners, at their sole expense, remove the weeds, rubbish, and/or dirt from their parcel(s) of property as described in Exhibit A before the City of Sacramento's contractor arrives to perform the abatement, then property owners shall not incur the cost of the abatement services. Property owners may still be liable for investigative and administrative costs related to their parcel or parcels of property.
