

RESOLUTION No. 34

Adopted by The Sacramento City Council on date of

April 12th, 1928

RESOLVED, by the City Council that permit be granted Great Western Power Company for purpose of installing and maintaining underground conduits with necessary manholes along and adjacent to the westerly property line of the Filtration Plant property and extending from a manhole in an existing conduit line located on said property in a southerly direction to the south side of the Street or Parkway leading into said property from Jiboom Street; and

BE IT FURTHER RESOLVED that permit be granted for purpose of constructing, repairing, replacing, maintaining and using for all purposes connected therewith, a line of poles and wires and all necessary or proper crossarms, braces, connections, guys, anchors and other appliances and fixtures and wires, to be located on a line from the hereinbefore mentioned point on the south side of the street or parkway leading into said Filtration Plant property from Jiboom Street; thence westerly along the southerly side of said parkway or street to its intersection with Jiboom Street.

BE IT FURTHER RESOLVED that foregoing permit is granted in accordance with application of Great Western Power Company filed with the City Council on date of March 29th, 1928 and in accordance with provisions of Section 237 of the City Charter effective June 30th, 1921.

BE IT FURTHER RESOLVED that in the event future extensions or other considerations make it necessary for their removal, the Great Western Power Company will make such change at their own expense

Adopted by the City Council on date April 12 1928 by following vote:
 AYES: Anderson, Campbell, Hateley, Kiernan, Maddox, Monk.
