

RESOLUTION NO. 2010-612

Adopted by the Sacramento City Council

October 26, 2010

APPROVING START STATE GRANT AGREEMENT

BACKGROUND

- A. The Department of Parks and Recreation has operated the Sacramento START (Students Today Achieving Results for Tomorrow) after-school literacy and enrichment program since 1996. A significant portion of the funding for the program comes from the State of California.
- B. The State has approved funding for the next year of the program for 43 elementary school sites.
- C. The State has awarded the City a maximum of \$5,327,075 in Fiscal Year (FY) 2010/11. In order to earn this amount, the program must be operated in accordance with the approved grant application and State law; student attendance must be maintained at minimum levels; and local matching funds must be spent, either by direct cash expenditures or in-kind contributions.
- D. The Sacramento START program, operating within the START Fund 2501, will meet its grant match requirement within the existing operating budget by reporting to the State its direct General Fund expenditures, its in-kind expenditures for the AmeriCorps and Snack grants and other in-kind expenditures. No additional General Fund appropriation is required.
- E. During the year the State may offer the City the ability to increase the maximum grant award or may be required to reduce the maximum grant award. Provided the START program has the capacity and willingness to operate an enhanced program at existing sites or at additional sites, approval is requested to authorize the City Manager to execute amendments that increase the maximum grant award by up to ten percent (10%) of the original grant award (up to \$532,707) or that decrease the grant award.
- F. City Council authorization is required for the City Manager to execute the agreement.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Manager is authorized to execute an agreement and any extensions, amendments, reapplications or other related documents with the State of California as necessary for the City to accept funding for a one-year grant for the Sacramento START (Students Today Achieving Results for Tomorrow) after-school program in an amount not to exceed \$5,327,075 during FY2010/11.

- Section 2. The City Manager is authorized to execute any amendments, subject to approval as to form by the City Attorney, with the State of California that increase the maximum grant amount by up to ten percent (10%) of the original grant amount or that decrease the maximum grant amount by any amount.
- Section 3. The City Manager or designee is authorized to adjust the necessary operating revenue and expenditure budgets to implement the grant.
- Section 4. The agreement described in Section 1 is attached as Exhibit A and made a part of this Resolution.
