MINUTES

Mel Johnson, Director of Public Works walked the Committee through the various sections of Public Works CIP items.

Committee Member Heather Fargo asked for a report that detailed who paid and how the equity question was settled relating to the \$30 million CIP Project No. 114X. She was interested in how new development would be balanced and whether there would be a special fee for the Central City.

Committee Member Fargo requested a report on putting undulations in some alleys. Mel Johnson, Director of Public Works said he would report directly back to Committee Member Fargo.

Committee Member Kastanis asked when the entire sewer system was going to be replaced.

Committee Member Fargo asked for a map to show the streets which are to be torn up to replace the sewer system.

The Committee requested a current priority list be given to all Committee Members for all types of projects.

Committee Member Fargo requested that the pot of money for undulations be increased. All Committee Members agreed that this was an important deterrent to speeding and that consideration for an increase in the funding was important.

Committee Member Robie asked that the City policy be investigated on repayment to neighborhoods that put their own money into installing undulation, be eventually repaid when their street finally reaches the top of the priority list.

Committee Member Serna asked for a report back on the traffic diverter program. He suggested that this report be combined with the undulation program and three way stops.

Committee Member Robie asked that staff look into completing Pocket Road now and putting together the assessment district after the work has been completed. She said this was a dangerous situation and that she wanted to see the work down right away.

Committee Member Fargo asked that staff report back on the problem on Azevedo. She wanted to see the priority list for lights and where this item was on the list.

Committee Member Serna asked that the Arden Garden Connector, the West El Camino Bridge be scheduled right away for the Transportation and Community Development Committee.

The Committee requested a report back on center medians. They thought this was an important item that would possibly need more money.

Julie Inhoffer, a resident of Azevedo Drive presented the Committee with 100 signatures. The residents want a light on that street. She explained that 3 children have been hit on that street.

LIBRARY

Dick Killian, Director of the Library, gave a brief opening presentation on the Library. Mr. Killian explained that the Library for South Natomas would show up in the amendment to the CIP because of the South Natomas FBA.

Gene Masuda, Principal Planner, gave a brief introduction to this item and walked the Committee through the master plan.

Committee Member Serna requested a report back on the Crest Theater. He would like to see it moved up on the list.

Committee Member Robie asked that the Children's Museum be given some consideration and she asked for a report back that would consider moving it up to a public/private item.

Committee Member Chinn said that he did not want the Memorial Auditorium drawing from the District or the District drawing funds from Memorial Auditorium. He feels it is very important to keep these separate and not co-mingle the funds.

Dan Flynn of SOCA suggested that the Community Center be given lower priority and that the need for adequate affordable housing be addressed.

John Bailey of the Sierra Curtis Neighborhood requested that the Sierra II Theater be added to the district.

The Committee was going to request that the Mayor recognize all participants of the task force with the appropriate resolutions.

Moved by Committee Member Kastanis to adopt staff recommendation with the addition of the 24th Street Theater, add RT as a member of the Technical Committee, Raise the Crest Theater in priority and the Childrens Museum's priority and report back on the last two issues. Seconded by Committee Member Fargo and motion carried as noted above.
