OWNER - BUILDER DECLARATION

I affirm under penalty of perjury that I am exempt from the Contractors License Law for the following reason (Sec. 7031.5, Business and Professions Code): Any city or county requires a permit to construct, alter, improve, demolish, or repair any building, structure, or equipment, also requires the applicant for such permit to file a declaration that he or she is licensed pursuant to the provisions of the Contractors License Law (Chapter 9 (commencing with Section 7000) of Division 8 of the Business and Professions Code) or that he or she is exempt therefrom and the basis for the exemption. Any violation of Section 7031.5 by any applicant for a permit shall be a civil penalty of not more than five hundred dollars.

I, the owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale as a building, structure, or equipment. Business and Professions Code: The Contractors License Law does not apply to the owner of property who builds or improves thereon, and who does such work for himself or herself or through his or her own employees, provided that such work is not intended or offered for sale. If, however, the building or structure is sold within one year of completion, the owner-builder will have the responsibility of obtaining a license under the Contractors License Law.

I am exempt under Sec. \_\_\_\_\_ B & P C for this reason \_\_\_\_\_
