

LETTER OF FRIENDSHIP FROM THE PEOPLE OF THE COUNTY OF SACRAMENTO, STATE OF CALIFORNIA, TO THE PEOPLE OF EGYPT

We, the people of the County of Sacramento, State of California, wishing to express our heartfelt condolences and to extend our hands in friendship to the people of Egypt in admiration of their fallen leader, President Anwar Sadat, do hereby resolve:

That he was a great leader in peace and friendship for the people of Egypt and a model for the people of the world.

That the deeds and the spirit of President Sadat should live on in our memories as an inspiration of courage and dignity, of peace and freedom, for us and our children and for the leaders of the free world.

That Egypt's loss is a personal loss to us all and that we best remember him by extending and affirming our friendship to the Egyptian people.
