

RESOLUTION NO. 2006-260

Adopted by the Sacramento City Council

April 18, 2006

AUTHORIZATION TO PURCHASE MEDICAL SUPPLIES AND EQUIPMENT THROUGH THE USE OF A COOPERATIVE PURCHASE AGREEMENT

BACKGROUND

- A. In providing Advanced Life Support service, the Fire Department requires the use of various medical supplies and equipment. The department responded to over 48,000 calls for emergency medical service (EMS) last year. The EMS portion of the business continues to grow and is a vital link to our service in the community.
- B. The contract SFD has been using to purchase these items has expired. The contract with San Francisco Fire Department and Bound Tree Medical was identified as meeting the needs of SFD.
- C. The Sacramento Fire Department is recommending that the City Council authorize the purchase of medical supplies and equipment under the contract established between San Francisco Fire Department and Bound Tree Medical.
- D. The Sacramento Fire Department seeks the authority to suspend competitive bidding pursuant to Sacramento City Code Section 3.5.240 and to begin cooperative purchases through the expiration of the contract, including any subsequent extensions, between San Francisco Fire Department and Bound Tree Medical for medical supplies and equipment through April 30, 2009.
