

Resolution of Intention No. 2448

Pursuant to the authority of an Act of the Legislature of the State of California, known as the "Improvement Act of 1911," approved April 7th, 1911, and the several Acts amendatory thereof.

It is hereby resolved that it is the intention of the City Council of the City of Sacramento to order the following street work to be done, to-wit:

The improvement of the following in the City of Sacramento:

32ND STREET, from the southerly line of 12th Avenue, to the northerly line of 14th Avenue; by removing and disposing of all surplus and refuse material; constructing concrete curbs and gutters; constructing concrete sidewalk on official line and grade where the same does not exist on official line and grade; installing cast iron gutter drains, and connecting same to sewer system with vitrified ironstone sewer pipe; reconstructing existing concrete manhole by placing curb and cover to grade; grading; constructing an asphaltic concrete pavement three (3) inches in thickness with seal coat and screenings, on a cementing road rock base four (4) inches in thickness, between the existing pavement and the gutters; and resurfacing the existing center pavement by constructing thereon an asphaltic concrete surface two (2) inches in thickness with seal coat and screenings.

All of said work shall be done in accordance with the detailed plans therefor adopted by the City Council and now on file in the office of the City Engineer, and also in accordance with the "Standard Specifications for the Improvement of Streets and Alleys and for the Construction of Sewers," heretofore adopted by the said City Council; excepting cementing road rock base, which shall be in accordance with specifications particularly adopted therefor; which specifications are on file in the office of the City Engineer.

Concrete curbs and gutters/^{combined} shall be in accordance with Cut No. 6 of said Standard Specifications; and concrete curb alone shall be as shown on plan.

Gutter drains shall conform with Cut No. 11 of said Standard Specifications.

Sewer joints shall be made with G-K Compound, in accordance with said Standard Specifications.

Asphaltic concrete pavement shall be constructed as provided in Section 22 of said Standard Specifications; and

WHEREAS, all of the findings and determinations of the City Coun-

cil, together with a full and complete Report made by the City Engineer, as directed by the City Council in its resolution adopted May 23, 1941, containing all of the matters required in Section 3 of an act of the legislature entitled the "Special Assessment Investigation, Limitation and Majority Protest Act of 1931," approved June 8, 1931, and the several acts amendatory thereof or supplemental thereto, referring to the foregoing improvement, are now on file in the office of the City Clerk and are open to public inspection; and

WHEREAS, in the opinion of said City Council said work is of more than local and ordinary public benefit, said Council hereby orders that the City of Sacramento shall participate in the cost of the above mentioned work in the amount of \$625.00; and said Council hereby further orders that the balance of the costs and expenses of said work and improvement shall be chargeable and charge upon a district of lands, which district is hereby declared to be the district benefited by said work and improvement and which is to be assessed to pay the costs and expenses thereof.

~~And whereas, in the opinion of said City Council said work is of more than local and ordinary public benefit, said Council hereby orders that the costs and expenses of said work and improvement shall be chargeable and charged upon a district of lands, which district is hereby declared to be the district benefited by said work and improvement and which is to be assessed to pay the costs and expenses thereof.~~

The exterior boundaries of said district and the extent of the territory included therein are shown upon the map of said district adopted and approved by the City Council on May 23, 1941, which map is now on file in the office of the City Engineer and to which reference is hereby made for a particular description of the boundaries of said district and of the extent of the territory included therein;

Saving and excepting from the above bounden and described district the area of all public streets, alleys, ways, boulevards, courts and avenues included therein.

Notice is hereby given that serial bonds to represent unpaid assessments and bear interest at the rate of five (5%) per cent per annum will be issued hereunder in the manner provided by the "Improvement Bond Act of 1915," the last installment of which bonds shall mature nine (9) years from the second day of July next succeeding ten (10) months from their date.

All persons objecting to said work, or to the extent of said assessment district, are required to file their objections in writing in the office of the City Clerk of the City of Sacramento, as required by law, and notice is hereby given to all persons interested that on the 15th day of August, 1941, at 8:15 o'clock p. m., in the Council Chamber of the City Council of the City of Sacramento, in the City Hall, on "I" Street, between 9th and 10th Streets, in said City, any and all persons having any objections to the proposed work and improvement may appear before said City Council and show cause why the proposed work and improvement shall not be carried out in accordance with this Resolution.

And the City Clerk is hereby directed to publish this Resolution twice in the "Sacramento Union", a daily newspaper, as required by law.

IN THE CITY COUNCIL:
