Honorable Members in Session:

SUBJECT: Administrative Services Division Budget Amendment

### SUMMARY

This report requests a budget amendment to appoint a .37 FTE Administrative Trainee until the Deputy Director position is filled, or no later than December 31, 1986. No additional City funds are requested.

### BACKGROUND INFORMATION

The Department of Parks and Community Services Administrative Services Division includes the Resource Development and Management Section. The Resource Development and Management Section's responsibilities include providing concession development and management, grants administration, graphic arts, public relations, and research services for special projects to the Department's seven operating divisions. Specifically, a .37 FTE Administrative Trainee would monitor the Department's 94 concession and lease agreements, research and complete six grant applications representing over \$1.5 million, and perform special research projects.

The City budget for Fiscal Year 1986-87 includes a Deputy Director position. It is anticipated that a recommendation to the City Manager to fill the Deputy Director position will be made by December 1986. The appointment of a .37 FTE Administrative Trainee can be made by utilizing salary savings realized until the Deputy Director position is filled.

### FINANCIAL DATA

No additional City funds are requested.

The financial impact of the appointment of this .37 FTE Administrative Trainee can be summarized as follows:

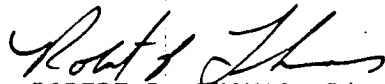

Deputy Director salary and benefits (7/1 - 12/31) -	\$32,068
Administrative Trainee salary and benefits (8/16 - 12/31) -	<u>9,600</u>
	\$22,468
