RULES GOVERNING PARTICIPATION AND PREFERENCES BY  
PROPERTY OWNER'S AND BUSINESS OCCUPANTS IN THE  
ALKALI FLAT REDEVELOPMENT PROJECT

I. [Section 100] PURPOSE AND INTENT

These rules are adopted to implement the provisions of the Redevelopment Plan for the Alkali Flat Redevelopment Project regarding participation and the exercise of preferences by property Owners and Business Occupants within the Project Area. These rules set forth the procedures governing such preferences and participation.

The California Community Redevelopment Law (Health and Safety Code Section 3300 et seq.) requires the adoption of these rules by the Agency to provide for participation in the redevelopment of the Project Area by Owners of real property and the extension of preferences to persons engaged in business within the boundaries of the Project Area to re-enter the redeveloped area to the maximum extent feasible consistent with the objectives of the Redevelopment Plan for the Project.

II. [Section 200] DEFINITIONS

As used herein, the following definitions apply:

- (1) "Redevelopment Plan" means the Amended and Restated Redevelopment Plan for the Alkali Flat Redevelopment Project, as adopted by the City Council of the City of Sacramento.
- (2) "Project Area" means the project area described in Section 200 of the Amended and Restated Redevelopment Plan and shown on Exhibit "A," Redevelopment Plan Map, attached thereto.
- (3) "Agency" means the Redevelopment Agency of the City Sacramento.
- (4) "Owner" means any person, persons, corporation, association, partnership, or other entity holding fee title to or a long-term lease of real property in the Project Area for so long as such Owner holds such title or long-term lease.
- (5) "Long Term Lease" means a lease of real property with a term of twenty (20) years or more, with at least five (5) years remaining on such term.
- (6) "Participation Agreement" means an agreement entered into by an Owner with the Agency providing for such Owner to participate in the redevelopment property within the Project Area in accordance with the provisions of the Redevelopment Plan and these rules.
- (7) "Participant" means an Owner who has entered into a Participation Agreement with the Agency.
- (8) "Business Occupant" means any person, persons, corporation, association, partnership, or other entity engaged in a lawful business within the Project Area for so long as such Business Occupant remains in business with the Project Area.

III. [Section 300] OPPORTUNITIES FOR OWNER PARTICIPATION AND PREFERENCES TO BUSINESS OCCUPANTS TO RE-ENTER IN BUSINESS WITHIN REDEVELOPED AREA

A. [Section 301] Opportunities for Owner Participation

Owners of real property within the Project Area shall be extended reasonable opportunities to participate in the redevelopment in conformity with the Redevelopment Plan and these rules.

B. [Section 302] Preferences for Persons Engaged in Business  
In the Project area

Business Occupants engaged in business in the Project Area shall be extended reasonable preferences to re-enter in business within the redeveloped area if they otherwise meet the requirements prescribed by the Redevelopment Plan and these rules.

IV. [Section 400] METHODS OF PARTICIPATION, AND LIMITATIONS THEREON

A. [Section 401] Methods of Participation

Participation methods include remaining in substantially the same location either by retaining all or portions of the property, or by retaining all or portions of the property and purchasing adjacent property from the Agency, or joining with another person or entity for the rehabilitation or development of the Owner's property and, if appropriate, other property, or submitting to the Agency for its consideration another method of participation proposal pursuant to these rules. An Owner who participates in the same location may be required to rehabilitate or demolish all or part of his/her existing buildings, or the Agency may acquire the buildings only and then remove or demolish the buildings. Participation methods also include the Agency buying land and improvements at fair market value from Owners and offering other parcels for purchase and rehabilitation or development by such Owners or offering an opportunity for such Owner's to rehabilitate or develop property jointly with other persons or entities.

B. [Section 402] Limitations on Participation Opportunities

Participation opportunities shall necessarily be subject to and limited by factors such as the following:

- (1) The elimination and changing of some land uses;
- (2) The construction, realignment, abandonment, widening, opening and/or other alteration or elimination of public rights-of-way;
- (3) The removal, relocation, and/or installation of public utilities and public facilities;
- (4) The ability of potential Participants to finance the proposed acquisition, development or rehabilitation in accordance with the Redevelopment Plan;
- (5) The ability and experience of potential Participants to undertake and complete the proposed rehabilitation or development;
- (6) Any reduction in the total number of individual parcels in the Project area;
- (7) The construction or expansion of public improvements and facilities, and the necessity to assemble areas for such;
- (8) Any change in orientation and character of the Project Area;
- (9) The necessity to assemble areas for public and/or private development;
- (10) The requirements of the Redevelopment Plan and applicable rules, regulations, and ordinances of the City of Sacramento;
- (11) Any design guide adopted by the Agency pursuant to the Redevelopment Plan; and
- (12) The feasibility of the potential Participant's proposal.
- (13) The scope of the Participant's proposal; and

RESOLUTION NO. 2000-042

- (14) The superiority of a competing proposal with regard to implementation of the goals and objectives of the Redevelopment Plan.

C. [Section 403] Conflicts Between Potential Participants

If conflicts develop between the desires of potential Participants for particular sites or land uses, the Agency is subject to the limitation factors above, authorized to establish reasonable priorities and preferences among the potential Participants and to determine a solution by consideration of such factors as:

- (1) Length of time in the neighborhood;
- (2) The needs and desires of the neighborhood;
- (3) Accommodation of as many potential Participants as possible;
- (4) Ability to perform;
- (5) Similar land use to similar land use; and
- (6) Conformity with intent and purpose of the Redevelopment Plan and these rules.

Participation to the extent feasible shall be available for two or more persons, firms or institutes to join together in partnerships, corporations, or other joint entities.

V. [Section 500] METHODS FOR EXTENDING RE-ENTRY PREFERENCES, AND LIMITATIONS THEREON

A. [Section 501] Methods for Extending Re-entry Preferences

Whenever a Business Occupant will be displaced by Agency action from Project Area, the Agency will, prior to such displacement, determine: 1) whether such Business Occupant desires to relocate directly to another location within the Project Area, or 2) if suitable relocation accommodations within the Project Area are not available prior to displacement, whether such Business Occupant would desire to reenter in business within the Project Area at a later date should suitable accommodations become available. For those Business Occupants who desire to relocate directly to another Project Area location, the Agency will make reasonable efforts to assist such Business Occupants to find accommodations at locations and rents suitable to their needs. A record of the Business Occupants who cannot be or do not want to be directly relocated within the Project Area, but who have stated that they desire to reenter into business in the Project Area whenever suitable locations and rents are available, will be maintained by the Agency for a period of five years following the effective date of the ordinance adopting the Redevelopment Plan. The Agency will make reasonable efforts to assist such Business Occupants to find re-entry accommodations at locations and rents suitable to their needs. In any event, the Agency shall not be obligated to provide financial assistance to any displaced business occupant in excess of that required by law.

In order to implement the operation of this Section 501, the Agency will provide in a Participation Agreement, disposition and development agreements, as applicable, that in the renting or leasing of premises rehabilitated or developed pursuant to such agreements the Participant or developer will give reasonable preferences (over other potential tenants or lessees) to Business Occupants who will be or who have been displaced from their places of business to lease or rent premises within the newly rehabilitated or developed facilities.

B. [Section 502] Limitations on the Extension of Preferences

Re-entry Preferences shall necessarily be subject to and limited by factors such as the following:

- (1) The Extent to which suitable relocation or re-entry accommodations exist or are rehabilitated or developed within the Project Area;
- (2) The extent to which suitable relocation or re-entry accommodations are available to displaced Business Occupants within an acceptable time period or at rents and other terms that are acceptable to such displaced Business Occupants, and within their financial means;
- (3) The extent to which the Agency has control over the proposed re-entry accommodations;
- (4) The compatibility of the displaced business with available relocation or re-entry accommodations; and
- (5) The requirements of the Redevelopment Plan or any design guide adopted by the Agency pursuant to the Redevelopment Plan.

C. [Section 503] Conflicts Between Business Occupants Seeking Similar Preference

If conflicts develop between Business Occupants who seek similar preference (e.g., two or more occupants who desire to relocate directly or to reenter in business at the same premises), the Agency is, subject to the limitation factors above, authorized to establish reasonable priorities among such occupants and to determine a solution by consideration of such factors as:

- (1) Length of time in the neighborhood;
- (2) Accommodation of as many Business Occupants as possible;
- (3) Appropriateness of the type of business within the proposed premises and/or at the proposed location;
- (4) The needs and desires of the neighborhood;
- (5) The feasibility of business success; and
- (6) Conformity with the intent and purpose of the Redevelopment Plan and these rules.

VI. [Section 600] PARTICIPATION PROCEDURES

A. [Section 601] Notice and Statement of Interest

Before entering into any Participation Agreements, disposition and development agreements, exclusive negotiation agreement, or taking other actions which may involve the acquisition of real property in the Project Area, the Agency shall first notify Owner's of property which may be acquired and call upon them to submit Statements of Interest in Participating in the proposed development or in otherwise participating in the redevelopment of the Project Area.

Upon request, the Agency shall promptly deliver to each Owner of real property, which may be acquired, a Statement of Interest in Participating form. Those desiring to submit Statements of Interest in Participating must complete and submit such statements to the Agency within thirty (30) days of receipt. Such statements shall include information requested by the Agency and shall be in the form requested by the Agency.

Any Owner may also submit such a statement at any time before such notification.

RESOLUTION NO. 2000-042

The Agency shall consider such statements as are submitted on time and shall seek to develop reasonable participation for those submitting such statements whether to stay in place or to move to another location. The Agency may, in its sole discretion, determine that a participation proposal is not feasible or in the best interest of the Redevelopment Project or the community, or is otherwise limited by one or more of the criteria set forth in Section 402 hereof. In such event, the Agency may select a developer from among prospective participants submitting Statements of Interest in Participating and others invited to submit proposals. The Agency also has the option to select none of the proposals, and, if deemed desirable, to solicit new participation or development proposals.

B. [Section 602] Participation Agreements

(1) [Section 603] General

Public and private Owner's wishing to develop or improve their properties within the Project Area may be required, as a condition to the Agency approval of such development, to enter into a binding, written Participation Agreement with the Agency determines it is necessary to impose upon such property and any of the standards, restrictions and controls of the Redevelopment Plan or any design guide adopted by the Agency pursuant to the Redevelopment Plan.

(2) [Section 604] Contents

A Participation Agreement shall obligate the Owner, and the Owner's heirs, successors and assignees to acquire, rehabilitate, develop and use the property, as may be applicable, in conformance with the Redevelopment Plan and/or to be subject to such other provisions and conditions of the Redevelopment Plans the Agency may require for the period of time that the Redevelopment Plan is in force and effect, excepting those provisions related to non-discrimination and non-segregation which shall run in perpetuity.

Each Participation Agreement will contain such terms and conditions and will require the potential Participant to join in the recordation of such documents as the Agency may require in order to insure that the property will be acquired, rehabilitated, developed and used in accord with the Redevelopment Plan and the agreement. The rights of any Owner Participant under an approved Owner Participation Agreement may or may not, at the Agency's option, be transferable upon sale or other disposition of the property. Participation Agreements will be effective only if approved by a majority vote of the members of the Agency.

VII. [Section 700] CONFORMING PROPERTIES

The Project Area is large and contains many parcels of real property. As a result, there is a need to simplify the availability of participation opportunities. Therefore, as an alternative to requiring a Participation Agreement for each property not to be purchased or subject to Agency acquisition by eminent domain, the Agency may, in its sole and absolute discretion, determine that certain real properties within the Project Area presently meet the requirements of the Redevelopment Plan, and the Owners of such properties will be permitted to remain as Owners of conforming properties without a Participation Agreement with the Agency, provided such Owners continue to operate, use, and maintain the real properties within the requirements of the Redevelopment Plan or of any design guide approved by the Agency pursuant to the Redevelopment Plan. A certificate of conformance to this effect may be issued by the Agency and recorded.

In the event that any of the Owners of conforming properties or their tenants desire to (1) construct any additional improvements or substantially alter or modify existing structures on any of the real property described above as conforming, or (2) acquire additional property within the Project Area, then, in such event, such Owners of conforming properties may be required by the Agency to enter into a Participation Agreement with the Agency.

VIII. [Section 800] ENFORCEMENT

In the event a property is not acquired, rehabilitated, or used in conformance with the Redevelopment Plan, with an Agency determination of conformance, or a Participation Agreement, then the Agency is authorized to (1) purchase the property, (2) purchase any interest in the property sufficient to obtain conformance, or (3) take any other appropriate action sufficient to obtain such conformance. The Agency shall not acquire real property retained or developed under an approved Participation Agreement if the Participant fully performs under the agreement.

IX. [Section 900] AMENDMENT OF RULES

The Agency may amend these rules at any regular meeting or duty called special meeting held after their adoption, but only after notice to the Agency members and the public. The text of the proposed change shall be furnished along with the notice of the meeting. Such notice shall be delivered at least fourteen (14) days before the date of the meeting at which the proposed amendment will be considered. The method of notice is at the discretion of the Agency.

No such amendment shall retroactively impair the rights of any parties who have executed Participation Agreements with the Agency in reliance upon these rules as presently constituted.
