FOR COUNCIL MEETING OF: October 21, 2003

SUMMARY:

Bids were received from two (2) contractors and opened by the City Clerk on September 24, 2003. The lowest responsive bidder was Florez Paving with a bid of \$139,230. Florez Paving's bid proposal exceeds the Emerging and Small Business Enterprise (ESBE) goal established for the construction contract. It is therefore proposed to award the contract to Florez Paving for \$139,230.

Reconstruction of Miscellaneous Sewer Manholes - Award Construction Contract (PN: XC82)

COMMITTEE/COMMISSION ACTION:

None.

BACKGROUND INFORMATION:

This project proposes to repair and rehabilitate existing sanitary sewer manholes throughout the City of Sacramento. These existing manholes require reconstruction due to corrosion or substandard original construction, resulting in excessive maintenance requirements. Reconstruction and/or rehabilitation is needed to ensure longevity and reduce maintenance needs.

Bids were received from two (2) contractors, as follows:

- Florez Paving \$ 139,230
- Navajo Pipelines, Inc. \$ 238,874

The Engineer's estimated construction cost was \$139,475.

FINANCIAL CONSIDERATIONS:

The total estimated cost for this project, including all design, construction, inspection and administration, is \$185,000, based on the bid of \$139,230. As of October 6, 2003, the budget in the project was \$194,000. There is sufficient funding in the project budget to award and complete the project.

ENVIRONMENTAL CONSIDERATIONS:

The Planning and Building Department, Environmental Planning Services, has reviewed the project and has determined that this project is categorically exempt from California Environmental Quality Act (CEQA) under State Class 1 and Section 15301(b) and Class 2, Section 15302(c) of the CEQA Guidelines.

POLICY CONSIDERATIONS:

This action is in conformance with City Code Section 3.60, Articles I and III, which provides that the City Council may award competitively bid contracts to the lowest responsible bidder. This report's recommendation is consistent with the City's Strategic Plan Goal of enhancing and preserving neighborhoods.
