APPROVED
BY THE CITY COUNCIL

MAY 27 1980

OFFICE OF THE
CITY CLERK

City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: Report on Bids for SANDBLASTING AMERICAN RIVER AND SACRAMENTO
RIVER WATER TREATMENT PLANTS

SUMMARY:

The subject project, as part of the City's Capital Improvement program, has been advertised for bids. One bid was received and is over the engineer's estimate. The City Engineer recommends that the bid be rejected and that the project be readvertised at a later date.

BACKGROUND:

On April 29, 1980, the City Council approved plans and specifications for the subject project and one bid was received and opened by the City Clerk in the Council Chambers on May 20, 1980. The bid received is as follows:

Trinco, Inc. \$43,430.00

The engineer's estimate for this project was \$25,000.00. Since only one bid was received and is 74% over the engineer's estimate we feel it is in the best interest of the City to reject the bid and readvertise at a later date.

RECOMMENDATION:

The City Engineer recommends that the bid be rejected and that the project be readvertised at a later date.

Respectfully submitted,

R. H. PARKER
City Engineer

Recommendation Approved:

Walter J. Slife, City Manager
