Honorable Members in Session:

SUBJECT: AGREEMENT WITH REGIONAL TRANSIT FOR STREET PAVING PROJECT ON  
7TH & 8TH STREETS BETWEEN O AND K STREETS AND MODIFICATION ON  
THE 1987/88 CIP

### SUMMARY

It is recommended that a contract with Regional Transit District for paving of 7th and 8th Streets between O and K Streets be approved and the 1987/88 CIP AC Overlay Project (RC01) be modified to include this work.

### BACKGROUND

The City of Sacramento Public Works Department has been working with the Regional Transit District on a joint paving project on 7th and 8th Streets between O and K Streets. The City proposes that work to be done by Regional Transit in the amount of \$46,515 be added to a proposed City contract as part of the 1987/88 CIP AC Overlay (RC01). A contract with Regional Transit provides for reimbursement to the City for the project amount. Combining the work with other paving projects will reduce costs and insure a consistent quality of improvement.

### FINANCIAL

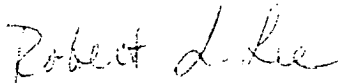

The CIP budget will be increased by \$46,515 to include this project and revenues will also be increased by the amount reimbursed by the Regional Transit District, resulting in no net increase in costs to the City.
