Honorable Members in Session:

SUBJECT: Sacramento Metropolitan Arts Commission - California
Arts Council

SUMMARY:

This report recommends a \$7,600 increase in appropriations to the FY 88-89 budget of the Metropolitan Arts Division to reflect the receipt of a grant under the California Arts Council's 1988-89 Multi-Cultural Advancement Program.

BACKGROUND

On November 28, 1988 the California Arts Council awarded a grant to the Sacramento Metropolitan Arts Commission in the amount of \$7,600 to participate in the California Arts Council's Multi-Cultural Advancement Program. The purpose of the program is to provide training to selected individuals to work with professional arts administrators in planning programs, developing policies and analyzing data related to public arts funding. The Arts Commission will sponsor an administrative fellow in a training program from February 1, 1989 to May 31, 1989. The information and data accumulated by the administrative fellow will assist the Metropolitan Arts Division in its ongoing work in public funding for the arts.

FINANCIAL DATA

The total award of the grant is \$7,600. An increase in appropriations in the amount of \$7,600 to the FY 1988-89 budget of the Metropolitan Arts Division is necessary for the program. This appropriation will be offset by revenue forthcoming from the California Arts Council and will be deposited into the grant fund. No additional funds are required.
