Honorable Members In Session:

SUBJECT: Urban Water Management Plan - Public Hearing and Adoption

SUMMARY

Assembly Bill 797, passed by the State Legislature in 1984, requires urban water suppliers to adopt a water management plan by December 31, 1985. Essentially, the required plan is a water conservation plan, and the required elements of the plan are specified in the bill. Prior to adoption, a public hearing is required and the plan must be made available for public inspection.

The required notice was published, and the hearing was held on December 5, 1985. A summary of comments and questions at the hearing is attached.

RECOMMENDATION

It is recommended that the Urban Water Management Plan for the City of Sacramento be approved and forwarded to the City Council with a recommendation for adoption.

Respectfully submitted,

THOMAS M. FINLEY
Engineering Division Manager
