

RESOLUTION NO. 2006-885

Adopted by the Sacramento City Council

December 5, 2006

APPROVING THE TEMPORARY CLOSURE OF A SEGMENT OF THE ALLEY BOUNDED BY ALTOS AVENUE, KNIGHTLINGER STREET, MOREY AVENUE AND LINDSAY AVENUE WITHIN COUNCIL DISTRICT 2 TEMPORARY CLOSURE PROCEEDING NO. TSC06-07

BACKGROUND

- A. The City received a request from the property owners and residents adjacent to the alley bounded by Altos Avenue, Knightlinger Street, Morey Avenue and Lindsay Avenue to temporarily close a segment of the subject alley to stop the occurrences of crime related activities.
- B. The Vehicle Code of the State of California Section 21101.4 and the Sacramento City Code Chapter 12.16 authorizes the City Council to temporarily close streets and alleys to prevent occurrences of crime related activities.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. Based upon substantial evidence present in the record of the proceedings regarding this matter, City Council hereby makes the following findings:
 - a) There is serious and continual criminal activity in the area of the alley recommended for closure. This finding is based upon a recommendation of the Police Department.
 - b) The alley recommended for closure is under the City's jurisdiction and has not been designated as a through highway or arterial street.
 - c) Vehicle or pedestrian traffic in the recommended alley closure contributes to the criminal activity that is occurring there.
 - d) The alley closure will not substantially adversely affect traffic flow, safety on the streets or in the surrounding neighborhoods, the operation of emergency vehicles, the performance of municipal or public utility services, or the delivery of freight by commercial vehicles in the area of the alley closure.
- Section 2. The Council finds and determines that the alley closure of a segment of the alley bounded by Altos Avenue, Knightlinger Street, Morey Avenue

and Lindsay Avenue will substantially alleviate the existing serious and continual criminal activity within that alley.

Section 3. City Council grants the temporary closure of the segment of the alley bounded by Altos Avenue, Knightlinger Street, Morey Avenue and Lindsay Avenue with the following conditions:

- a) A gate security device approved by the Sacramento Fire Department will be installed on the gates.
- b) City departments and utility companies will have twenty-four (24) hour access to their facilities within the road.
- c) In the event that the gate security device requires construction by a private entity for improvements in the public right-of-way, a revocable encroachment permit and an excavation permit must be obtained from the Development Services Department. The revocable encroachment permit is to be issued simultaneously with this Resolution. The excavation permit, if required, may be issued subsequent to this Resolution, but must be obtained prior to the construction of improvements in the public right-of-way.
