SUBJECT: The Tobacco Tax and Health Protection Act of 1988

Honorable Members in Session:

SUMMARY

The Tobacco Tax and Health Protection Act is an initiative to raise the tax on cigarettes and other tobacco products. The funds would go to research on cancer, lung, heart and other tobacco related diseases; treating people suffering from these and other diseases; education to stop young people from taking up tobacco use; and protecting the environment.

BACKGROUND

Tobacco use in California costs our economy more than \$6 billion a year in health and related costs: \$2.17 for each package of cigarettes smoked. More than 30,000 people die each year of tobacco related diseases in our state. The new tax will help reduce smoking in young people and treat tobacco related diseases.

Our tobacco tax has not been raised in more than twenty years. Only five states have a lower tax. Those who will pay the tax are really only being asked to pay a user fee, and they will directly benefit from the way the tax will be used. The tax would be raised by \$.25 per pack.

Tobacco use is one of the most serious drug related problems facing young people today. It is estimated that due to the new tax alone many thousands of children and teenagers will never start to smoke, thus preventing much disease, and saving many of their lives. More than 90% of all smokers start before the age of 20.

The Tobacco Tax and Health Protection Act is sponsored by the American Cancer Society, the American Lung Association, the American Heart Association, the California Medical Association, the California Hospital Association, Assembly Member Lloyd Connelly, Campaign California and numerous other health and civic groups.

The initiative is necessary because the Legislature failed to pass a similar measure in 1987. It is a Constitutional Amendment because otherwise the funds collected could not be spent on health purposes.

RECOMMENDATION

The City of Sacramento endorse the Tobacco Tax and Health Protection Act of 1988.

Sincerely,

JOHN P. KEARNS

TO THE HONORABLE SECRETARY OF STATE OF CALIFORNIA

We, the undersigned, registered, qualified voters of California, resident of _____ County (or City and County), hereby propose amendments to the Constitution and statutes of California, relating to the imposition and distribution of excise taxes on cigarette and tobacco products, and petition the Secretary of State to submit the same to the voters of California for their adoption or rejection at the next succeeding general election or at any special statewide election prior to that general election or otherwise as provided by law. The proposed

constitutional and statutory amendments reads as follows:

SECTION 1. This measure shall be known and may be cited as the Tobacco Tax and Health Protection Act of 1988.

SEC. 2. The people find and declare as follows:

(a) Tobacco use is the single most preventable cause of death and disease in America.

(b) Tobacco-related diseases create immense suffering and personal loss, and a staggering economic cost which all Californians have to pay.

(c) Tobacco-related diseases are a major burden on state and local governments by requiring them to provide medical care and health services.

(d) Tobacco use causes substantial environmental damage, and property damage and loss of life due to fire.

(e) To reduce the incidence of cancer, heart, and lung disease and to reduce the economic costs of tobacco use in California, it is the intent of the people of California to increase the state tax on tobacco products and do all of the following:

(1) Reduce smoking and other tobacco use among children.

(2) Support medical research into

tobacco-related cancer, heart, and lung diseases.

(3) Treat people suffering from tobacco-related diseases.

(4) In recognition of the uncompensated costs of tobacco-related illness, support treatment of patients who cannot afford to pay for services.

SEC. 3. Section 12 is added to Article XIII B of the Constitution, to read:

SEC. 12. "Appropriations subject to limitation" of each entity of government shall not include appropriations of revenue from the Cigarette and Tobacco Products Surtax Fund created by the Tobacco Tax and Health Protection Act of 1988. No adjustment in the appropriations limit of any entity of government shall be required pursuant to Section 3 as a result of revenue being deposited in or appropriated from the Cigarette and Tobacco Products Surtax Fund created by the Tobacco Tax and Health Protection Act of 1988.

SEC. 4. Article 2 (commencing with Section 30121) is added to Chapter 2 of Part 13 of Division 2 of the Revenue and Taxation Code, to read:

(b) "Tobacco products" includes, but is not limited to, all forms of cigars, smoking tobacco, chewing tobacco, snuff, and any other articles or products made of, or containing at least 50 percent, tobacco, but does not include cigarettes.

(c) "Fund" means the Cigarette and Tobacco Products Surtax Fund created by Section 30122.

30122. (a) The Cigarette and Tobacco Products Surtax Fund is hereby created in the State Treasury. The fund shall consist of all revenues deposited therein pursuant to this article. Moneys in the fund may only be appropriated for the following purposes:

(1) Tobacco-related school and community health education programs.

(2) Tobacco-related disease research.

(3) Medical and hospital care and treatment of patients who cannot afford to pay for those services, and for whom payment will not be made through any private coverage or by any program funded in whole or in part by the federal government.

(4) Programs for fire prevention; environmental

conservation; protection, restoration, enhancement, and maintenance of fish, waterfowl, and wildlife habitat areas; and enhancement of state and local park and recreation purposes.

(b) The fund consists of six separate accounts, as follows:

(1) The Health Education Account, which shall only be available for appropriation for programs for the prevention and reduction of tobacco use, primarily among children, through school and community health education programs.

(2) The Hospital Services Account, which shall only be available for appropriation for payment to public and private hospitals licensed pursuant to subdivision (a) of Section 1250 of the Health and Safety Code for the treatment of hospital patients who cannot afford to pay for that treatment and for whom payment for hospital services will not be made through private coverage or by any program funded in whole or in part by the federal government.

(3) The Physician Services Account, which shall only be available for appropriation for payment to physicians for services to patients who cannot afford to pay for those services, and for whom payment for physician

services will not be made through private coverage or by any program funded in whole or in part by the federal government.

(4) The Research Account, which shall only be available for appropriation for tobacco-related disease research.

(5) The Public Resources Account, which shall only be available for appropriation in equal amounts for both of the following:

(A) Programs to protect, restore, enhance, or maintain fish, waterfowl, and wildlife habitat.

(B) Programs to enhance state and local park and recreation resources.

(6) The Unallocated Account, which shall be available for appropriation for any purpose specified in subdivision (a).

30123. (a) In addition to the tax imposed upon the distribution of cigarettes by this chapter, there shall be imposed upon every distributor a tax upon the distribution of cigarettes at the rate of twelve and one-half mills (\$0.0125) for each cigarette distributed.

(b) There shall be imposed upon every distributor a tax upon the distribution of tobacco products, based on the wholesale cost of these products,

at a tax rate, as determined annually by the State Board of Equalization, which is equivalent to the combined rate of tax imposed on cigarettes by subdivision (a) and the other provisions of this part.

30124. (a) With the exception of payments of refunds made pursuant to Article 1 (commencing with Section 30361) of Chapter 6, and reimbursement of the State Board of Equalization for expenses incurred in the administration and collection of the tax imposed by Section 30123, pursuant to its powers vested by this part, all moneys raised pursuant to the taxes imposed by Section 30123 shall be deposited into the fund as provided in subdivision (b).

30125. Funds expended pursuant to this article shall be used only for the purposes expressed in this article and shall be used to supplement existing levels of service and not to fund existing levels of service.

30126. The annual determination required of the State Board of Equalization pursuant to subdivision (b) of Section 30122 shall be made based on the wholesale cost of tobacco products as of March 1, and shall be effective during the state's next fiscal year.

30128. This article shall take effect on January 1, 1989.

30129. The tax imposed by Section 30122 shall be imposed on every cigarette and tobacco product in the possession or under the control of every dealer and distributor on and after 12:01 a.m. on January 1, 1989, pursuant to rules and regulations promulgated by the State Board of Equalization.
