**December 6, 2005**

Honorable Mayor and  
Members of the City Council

**Subject:** Claim: Execution of the Transportation Development Act Claim Packet for the Fiscal Year 2005-2006

**Location/Council District:** Citywide

**Recommendation:** Adopt a Resolution: 1) approving the \$358,463 claim for reimbursement for various bicycle and pedestrian facilities in Fiscal Year 2005-2006 and 2) authorizing the City Manager to execute and submit the Transportation Development Act claim for Fiscal Year 2005-2006.

**Contact:** Janet Baker, Park Development Manager, 808-8234

**Presenters:** None

**Department:** Parks & Recreation

**Division:** Park Planning, Design & Development

**Organization No:** 4727

### **Summary:**

This is an annual process to "claim" Transportation Development Act (TDA) funds. This annual process was approved as part of the City's Capital Improvement Program (CIP) annual budget. Applications are completed and submitted to the Sacramento Area Council of Governments (SACOG) for reimbursement. For the current fiscal year, \$358,463 can be claimed for reimbursement. Staff recommends authorizing the City Manager to execute and submit the claim for the aforementioned dollar amount.

### **Committee/Commission Action:**

None.

**Background Information:**

The TDA of 1974 allows two percent of the Local Transportation Fund apportionment to be made available exclusively for pedestrian and bicycle facilities. SACOG is the transportation-planning agency for this area and, as such, is responsible for the allocation of Local Transportation Funds to jurisdictions in Sacramento County.

In the *Fiscal Year 2005-2010 Capital Improvement Project Budget Resolution*, City Council authorized funds for maintenance and repair of existing bikeways and development of new bikeways throughout the City of Sacramento. In order to receive our allocation, SACOG requires a claim package (Exhibit A) to be submitted. The claim package details new projects, provides the status of existing TDA projects, and highlights program changes.

**Financial Considerations:**

City staff is ready to process the 2005 - 2006 TDA claim for \$358,463 (Fund 235) relating to the costs of the above stated improvements. The breakdown is as follows:

<u>PROJECT:</u>	<u>FUND:</u>	<u>CIP/ORG:</u>	<u>AMOUNT:</u>
Bike Trail Maintenance	235	HB31	\$ 25,000
Bike Trail Repair	235	HB32	\$100,000
Bike Trail Planning	235	HB41	\$ 2,000
TDA Match	235	HC26	\$231,463
<b>TOTAL:</b>			<b>\$358,463</b>

This report completes the process and allows staff to submit the necessary paperwork to SACOG.

**Environmental Considerations:**

The Planning and Building Department, Environmental Planning Services has determined that the action of executing the Transportation Development Act claim for Fiscal Year 2005-2006 and applying to SACOG for TDA funds for various bicycle and pedestrian facilities for Fiscal Year 2005-2006 does not have the potential for causing a significant effect on the environment and is therefore exempt under California Environmental Quality Act (CEQA) Guidelines, Categorical Exemption Section 15061 (b)(3), of CEQA. However, any subsequent actions for implementation of the TDA will be required to undergo CEQA review.

**Policy Considerations:**

Providing Parks and Recreation facilities is consistent with the City's strategic plan to achieve sustainability and liveability and to expand economic development throughout the City. This action is in compliance with the 2010 Sacramento City / County Bikeway Master Plan and the Transportation Master Plan.

**Emerging Small Business Development (ESBD):**
