City Council  
Sacramento, California

Honorable Members In Session:

SUBJECT: Amendment of Contract Amount for Bid No. 1060

SUMMARY

This report recommends that the contract amount for Bid No. 1060, approved by Council on March 17, 1987, be increased to cover the removal or trimming of additional trees not already identified in the contract.

BCKGROUND INFORMATION

On March 17, 1987, a contract was awarded by the City Council to Richard's Tree Services for tree removal and trimming in the amount of \$43,900.00. This amount reflected the costs for removing or trimming only those trees listed in the bid and did not allow for additional, unforeseen services should the need occur.

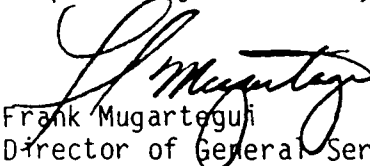

FINANCIAL DATA

Sufficient funding is available in the Park Tree Service budget to cover this increase, as the original contract estimate was \$75,000.00.

RECOMMENDATION

It is recommended that the City Council approve the increase to the contract amount for Bid No. 1060 by \$11,000.00 to \$55,000.00 total.

Respectfully submitted,

  
Frank Mugartegui  
Director of General Services
