MAY BE EXCEEDED NO. 2431

WHEREAS, the City Council of the City of Sacramento did, on the 7th day of March, 1941, direct the preparation of an Investigation Report under the provisions of Section 3 of the "Special Assessment Investigation, Limitation and Majority Protest Act of 1931," covering the proposed improvement of 2ND AVENUE, from the easterly line of 61st Street, to the pavement in place on 65th Street; and 61ST STREET, from a line 20 feet south of the southerly line of 2nd Avenue, to a line 225 feet northerly therefrom,

WHEREAS, less than thirty days having expired since the date of filing of the report under Section 8 of said Act above referred to;

NOW, THEREFORE, it is hereby resolved, found and determined by the City Council of the City of Sacramento as follows, to-wit:

1. That the public interest, convenience and necessity require the doing and making of the public improvement set forth and described in said reports above referred to, and substantially in the manner therein set forth;

2. That the project consisting of the proposed improvement above referred to is feasible, and that the lands to be assessed to pay the costs and expenses of the proposed improvement will be able to carry the burden of the proposed assessment;

3. That the estimated total amount proposed to be assessed upon any and all lots or parcels of land for the costs and expenses of said proposed improvement will cause the limitation of indebtedness established and set forth in said Act above referred to to be exceeded; and that it is the intention of this Council that said limitation shall be exceeded in accordance with the provisions of Section 10 of said Act;

4. That no majority protest in writing has been filed by the owners of property proposed to be assessed to pay the costs and expenses thereof against the proposed improvement above referred to, or any part thereof, in the manner provided in Section 13-a of said Act above referred to;
