MINUTES, READING OF
Approved

Minutes of the meeting of May 29, 1945, were ordered approved as read.

AMENDMENT TO RULES
Rule VIII, Section 7

After discussion of leaves of absence as granted by heads of departments, Mr. Cavanaugh moved that Rule VIII, Section 1

be amended to read as follows:

Rule VIII, Section 1 - Leaves of Absence: No leave of absence shall be granted within six months after appointment or reinstatement, except upon showing of cause and with the consent of the Civil Service Board. Leaves of absence may be granted by a head of a department or appointing power upon approval of the City Manager for a period not to exceed 90 days during any elapsed period of one year, and the period of time for which said leave is granted and the reason for granting said leave shall be definitely stated by such head of department or appointing power, and it shall be immediately reported to the Civil Service Board.

Upon approval by the Board, leave (except military leaves and for sickness of a nature which in the opinion of the Board justifies a leave of a longer period) may be granted for a period not exceeding one year, provided any leave of absence shall not be extended unless application therefor is made prior to the expiration of such leave, and provided further that in periods of national emergency a leave of absence for a period greater than one year may be granted for the duration of such emergency by the Civil Service Board after receipt of recommendation therefor from the City Council.

Seconded by Mr. Deise, thereupon becoming the order of the Board.

A. B. LAGOMARSINO

Re: Status as Statistician

The Board again considered the

position classification of A. B.

Lagomarsino. After review and dis-

ussion of the duties of the position, it was the decision of the Board that a new classification of Record Supervisor - Fire Dept. be created. The Secretary was instructed to inform the City Council of the Board's findings. Upon creation of this classification, appropriate examination will be conducted.

RECORD SUPERVISOR - FIRE DEPT.

Recommended Position Classification

After review and discussion of the

duties existing in the office of the

Fire Department, it was the finding

of the Board that there are two positions existing in the office of the Fire Department that should be classified as Record Supervisor - Fire Department, with a recommended basic salary of \$155 minimum - \$184 maximum. The duties of these positions are now being performed by a Junior Clerk and Acting Statistician. The Secretary was instructed to notify the City Council of the findings of the Board and upon the Council's approval, the Board will hold an appropriate examination to fill these positions.
