Personal Interviews

Personal interviews were held for those candidates who had successfully passed previous portions of this examination

and who had been notified to appear and were present.

CLASSIFICATION OF EMPLOYEES
GOULD TRACT WATER SYSTEM

Kirchgater, Roy J.
Lane, Arden W.

The request of R. E. Mittelstaedt, Superintendent, Water Department, dated April 9, 1940, to classify Messrs. Lane

and Kirchgater was again considered by the Board. Messrs. Kirchgater and Lane were present at the meeting and, in discussing Mr. Kirchgater's experience, duties, and residence, he informed the Board that he, with his wife and family, resided at 3809 25th Avenue but that he had used the address of a brother-in-law as a mailing address during the past few months.

Mr. Lane informed the Board that he, with his family, had resided on Twenty-second Avenue for the past few years and that he had been using an address of his sister on Twenty-fifth Street during the past few months at such times as he was temporarily employed within the city.

After discussion and review of the cases, Mr. Cavanaugh moved that, because of Charter requirements relating to residence within the city limits, it would be impossible for the Board to approve a classification for Messrs. Roy J. Kirchgater and Arden W. Lane and could not approve payrolls; seconded by Dr. Stacy and unanimously carried.

OYSTER, JAY W.

Classification

A letter from Fred J. Klaus, dated May 2, 1940, requesting that the Board reconsider the matter regarding the classification of Mr. Jay W. Oyster was read by the Board. After a careful review of letters from Mr. Klaus dated October 31, 1939, and April 3, 1940, and again reviewing Mr. Oyster's qualifications and duties, Dr. Stacy moved that, after reconsideration and review of the qualifications and duties that Mr. Jay W.
