SECRETARY TO PLANNING COMMISSION

RESOLUTION NO. 1790

ADOPTED BY THE SACRAMENTO PLANNING COMMISSION
ON DATE OF JULY 27, 1995

A RESOLUTION ADOPTING FINDINGS OF FACT AND
APPROVING A SPECIAL PERMIT AND VARIANCE FOR
PROPERTY LOCATED AT 6700 21ST AVENUE (APN: 023-
0010-020 and 022) (P95-057)

WHEREAS, the City Planning Commission on July 27, 1995, held a public hearing pertaining to the request for approval of a Special Permit to expand the existing Saint Mary's Cemetery by adding three mausoleum structures (805 s.f., 1216 s.f., and 1552 s.f.) and, a Variance to waive the required masonry wall along the easterly property line on a 58.38± parcel in the Standard Single Family (R-1) zone.

WHEREAS, the proposed project is exempt from environmental review pursuant to State EIR Guidelines (CEQA Section 15301(e)).

WHEREAS, the Planning staff has submitted to the City Planning Commission its report and recommendations on the proposed development;

WHEREAS, the Planning Commission adopts the following findings of fact for the Special Permit:

1. Granting the Special Permit is based on sound principles of land use.
2. Granting the project would not be detrimental to the public welfare nor result in the creation of a public nuisance in that:
 - a. the property is zoned for cemeteries with an approved Special Permit,
 - b. the structures are located within an existing cemetery, and
 - c. landscaping will be consistent with the existing landscaping.
3. The project is consistent with the General Plan which designates the site Parks, Recreation, Open Space.

WHEREAS, the Planning Commission adopts the following findings of fact for the Variance:

1. Granting the Variance does not constitute a special privilege extended to an individual property owner in that variances would be granted to other property owners facing similar circumstances.
