

RESOLUTION NO. 2007-075

Adopted by the Sacramento City Council

February 6, 2007

ESTABLISHMENT OF CAPITAL IMPROVEMENT PROJECT FOR THE ELVAS AVENUE STREETScape IMPROVEMENT PROJECT; APPROVAL OF A BUDGET AMENDMENT FOR CAPITAL IMPROVEMENT PROJECT NUMBER (TR41); AUTHORIZATION TO ENTER INTO INDIVIDUAL PROJECT AGREEMENT WITH REDEVELOPMENT AGENCY OF THE CITY OF SACRAMENTO; RELATED FINDINGS

BACKGROUND

- A. In 2004, the Council authorized adoption of the 65th Street Redevelopment Project Area.
- B. Streetscape facility improvements on Elvas Avenue support and are consistent with the 65th Street/University Transit Village Plan's goal to "Ensure a balanced circulation system for vehicles, pedestrians and bicyclists to create attractive, convenient and safe movement to, from, and throughout the transit village area."
- C. Council has determined that no current alternative funding sources are available for these Projects.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1. It is found and determined that the proposed action to fund the design of an infrastructure project is exempt from environmental review per CEQA Guidelines Section 15262.

Section 2. In accordance with California Redevelopment Law Section 33445, the City Council further finds and determines that:

(a) The Project will benefit the Project Area by evaluating and making recommendations to improve inadequate infrastructure and transportation facilities and to enhance aesthetics and improve pedestrian sidewalks and bicycle paths, thereby improving access and safety for residents and business customers in the Project Area.

(b) No other reasonable means of financing the Project are available to the community.

(c) The payment of the cost for the Project is consistent with the Project Area Implementation Plan and will assist in eliminating blighting conditions that include inadequate and undersized infrastructure inside the Project Area and improving unsafe conditions and traffic congestion.

Section 3. Elvas Avenue Streetscape Improvement Project (TR41) is established as a Capital Improvement Project.

Section 4. The FY06/07 Capital Improvement Program is amended by appropriating \$150,000 (Fund 206) to Elvas Avenue Streetscape Improvement Project Phase I (TR41).

Section 5. The City Manager or his designee is authorized to enter into IPA with the Redevelopment Agency of the City of Sacramento to accept \$150,000 in Agency funding, or such other funding amount as the Agency may reasonably authorize to carry out Phase I of CIP number TR41.

Section 6. The City Manager or his designee is authorized to take all actions and execute such instruments as may be necessary to implement the IPA.
