Honorable Members in Session:

SUBJECT: Revision of Chapter 13, Article III,
Dealing With Concerts

SUMMARY

This report recommends that the City Council adopt the attached ordinance amending Article III of Chapter 13 of the City Code dealing with live concerts.

BACKGROUND

This office has become aware that Chapter 13, Article III of the City Code dealing with concerts is outmoded and likely infirm in view of several relatively recent court decisions.

The proposed amendment clarifies a present ambiguity that exists as to just when a dance permit would be required as opposed to the need for a "concert" permit. As well, The current sections dealing with "dance concerts" contain insufficient safeguards to withstand judicial attack.

ANALYSIS

There has been disagreement in the past between dance concert permit holders and City management over whether a dance concert permit presumes that dancing will be allowed without a dance permit. The basis for the applicants' position arises from the very name: "dance concert". The proposed amendments resolve this matter by eliminating the term "dance" from the provisions regulating live concerts. It will then be clear that where both activities are present, both permits are required.

The proposed language also will eliminate suspected constitutional infirmities by providing an appeal process specifically for concert permits. Currently, the aggrieved dance concert applicant must utilize appeal procedures common to public dance permits, club dance permits, and taxi dance permits. Because live concerts are First Amendment constitutionally protected activities, the permit

process for live concerts may utilize only reasonable time, place and manner restrictions, and not the more subjective requirements allowed for public, club or taxi dance permits.

The attached proposed ordinance contains language for the regulation of concerts that has withstood attack in the appellate courts.

RECOMMENDATION

The Council should adopt the proposed ordinance if it wishes to maintain valid permit requirements for the regulation of live concerts.

City staff and this office recommend that the proposed ordinance be adopted.

Respectfully submitted,

JAMES P. JACKSON, City Attorney
