City Council
Sacramento, California

Honorable Members In Session:

SUBJECT: Street Overlay 1989/90 (PN:RC01) - Contract Award

SUMMARY

This project has been advertised for bids. Bids have been received and contract award is recommended.

BACKGROUND

This project is a portion of the continuing program to overlay deteriorated, existing streets in the City of Sacramento. The streets that are to be overlaid by this project are listed on the attached sheet.

On May 23, 1989, the City Council approved the plans and specifications for this project. Bids were received and opened by the City Clerk on June 20, 1989. The bids received were:

Teichert Construction	\$640,612.25
Granite Construction Co.	\$661,881.35

The engineer's estimated construction cost was \$700,700. The estimated project completion date is October 1, 1989.

FINANCIAL DATA

Sufficient funds are available for this project. The estimated total project cost, including all planning, design and construction costs, is \$680,000. The current budget is \$1,243,000, which was approved in the Capital Improvement Program from Gas Tax Funds (202). As of July 11, 1989, the funds available for this project amount to \$832,124, which includes the 1989/90 approved CIP for this project.

POLICY CONSIDERATIONS

None.

MBE/WBE EFFORTS

Plans and specifications were sent to nineteen (19) plan rooms and construction services organizations for publication and use by the construction industry in Northern California. There are four (4) organizations on the distribution list that are directly involved with MBE/WBE contractors. There were six (6) plan holders for this project, none of whom are certified MBE/WBE contractors.

RECOMMENDATION

It is recommended that the City Council accept the low bid of Teichert Construction in the amount of \$640,612.25, and award the contract.

Respectfully submitted,

THOMAS M. FINLEY
Engineering Division Manager

Recommendation Approved:
