Honorable Mayor and
Members of the City Council

Subject: Calling the June 6, 2006 and November 7, 2006 Elections, Consolidating the Elections with the Statewide Primary and General Elections, and Requesting Services from the Sacramento County Registrar of Voters

Location/Council District: Council Districts 1, 3, 5, and 7.

Recommendation: Adopt resolutions.

Contact: Stephanie Mizuno, Assistant City Clerk, 808-8093

Presenters: N/A

Department: City Clerk's Office

Division: N/A

Organization No: 0700

Summary:

Adopt resolutions that: (1) call and give notice of a primary municipal election to be held on June 6, 2006 and a general municipal election to be held on November 7, 2006; (2) consolidate the elections with the statewide primary and general elections; and (3) request the County Board of Supervisors to instruct the County Registrar of Voters to provide specified services in connection with the elections.

Committee/Commission Action: None.

Background Information:

The terms for incumbents in City Council Districts 1, 3, 5, and 7 will expire in November 2006. Pursuant to established procedures, the Office of the City Clerk is calling and

giving notice of a primary election in June to fill these vacancies, and a general election in November if a run-off election is necessary. In accordance with the City Charter, the regular city elections are to be consolidated with the statewide elections.

In addition, in order to obtain specific election services from the County Registrar of Voters, it is necessary to formalize a request to the Sacramento County Board of Supervisors that instructs the Registrar of Voters to provide such services.

Financial Considerations:

Funds are available in the City Clerk's election budget to accommodate all routine costs associated with these elections. The County Registrar has estimated the cost of the June primary election to be approximately \$57,000. The cost of the November election will depend on whether a run-off election is necessary in any of the four districts. If all districts were to proceed to a run-off the cost would be approximately \$66,000. If a measure is added to the November ballot the additional cost for the measure is estimated at \$115,000.

Environmental Considerations: None.

Policy Considerations:

The actions outlined in this report are in accordance with the California Elections Code and the Sacramento City Charter.

Emerging Small Business Development (ESBD): Not applicable.
