The Honorable Anne Rudin
Mayor of Sacramento
City Hall
915 I Street
Sacramento, CA 95814

Dear Mayor Rudin:

The Community Services Planning Council (CSPC), is celebrating its 50th anniversary in 1989. We are planning numerous activities during our anniversary year to make Sacramentans more aware of the importance of services to the quality of life in our community.

The major event of the celebration is a community conference scheduled for November 19, 1989 at the Sacramento Community Center. This conference will bring together government officials, business executives, civic and labor leaders, and human services professionals to review CSPC'S State of Human Services Report and to develop an action plan to support human services in our expanding community.

On behalf of the CSPC Board, I am inviting the City of Sacramento to become an official co-sponsor of the conference. Your endorsement and participation will further your commitment to good planning for our growing city.

If you have any questions, please contact me. We look forward to your reply.

Sincerely,

Joe Dear, President
Board of Directors
