I affirm under penalty of perjury that I am exempt from the Contractors License Law for the following reason (Sec. 7031.5, Business and Professions Code): Any city or county which requires a permit to construct, alter, improve, demolish, or repair any structure prior to its issuance, also requires the applicant for such permit to file a statement with the city or county certifying that he or she is licensed pursuant to the provisions of the Contractors License Law (Chapter 9 (commencing with Section 7000) of Division 8 of the Business and Professions Code) or that he or she is exempt therefrom and the basis for the exemption. Any violation of Section 7031.5 by any applicant for a permit shall be a violation of the Contractors License Law and shall be punishable as provided in that section. Any applicant to a civil penalty of not more than five hundred dollars who is the owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale under the Contractors License Law does not intend or offer for sale such property or structure, and who does such work or structure through his or her own employees, provided that such work or structure is not intended or offered for sale. If, however, the building or structure is sold within one year of completion, the owner-builder will have the burden of proving that he or she did not build or improve for the purpose of sale.)

I, the owner of the property, am exclusively contracting with licensed contractors for the project (Sec. 7044, Business and Professions Code): The Contractors License Law does not apply to an owner of property who builds or improves thereon, or improves thereon, or contracts for such projects with a contractor(s) licensed pursuant to the Contractors License Law.
