The 50%-written and 50%-oral weighting for the Police Sergeant examination was discussed. Mr. William Woska, Personnel Management Administrator, indicated that the 50/50 weighting has had, in the past, adverse impact on minorities; however, the current examinations for Police Sergeant, Police Lieutenant, and Fire Captain were developed specifically related to the jobs by the City's Police and Fire Department staff. Formerly, the examinations had been purchased from outside sources.

MOTION: Mr. Russell moved that staff review the weighting of the Police Sergeant examination with the purpose of looking for ways to increase the number of minority candidates.
