City Council
Sacramento, California

Honorable Members In Session:

SUBJECT: 9th Street Combination Sewer Replacement (PN:XB86) - Project Approval and Bid Advertisement

SUMMARY

Plans and specifications for this project have been prepared. Approval of the plans and specifications and authorization to advertise for bids is recommended.

BACKGROUND

This project will replace the combination sewer line in 9th Street between G Street and the I-J Alley. The project will include replacement of manholes and gutter drains.

A Categorical Exemption for this project was filed with the County Clerk of the County of Sacramento on May 19, 1988. The engineer's estimated construction cost is \$311,400.

FINANCIAL

Additional funds may be needed for this project. The estimated total project cost, including all planning, design and construction costs, is \$386,000. The current budget is \$320,000, which was approved in the Capital Improvement Program from the Storm Drainage Fund (425). The funds available for this project amount to \$308,425 as of September 19, 1988. The final budgetary recommendation will be made following receipt of bids.

A non-refundable fee of \$15 will be charged for each set of plans and specifications to cover reproduction costs.

RECOMMENDATION

It is recommended that the City Council approve the plans and specifications for this project and authorize the City Clerk to advertise for bids to be received on October 18, 1988.

Respectfully submitted,

THOMAS M. FINLEY
Engineering Division Manager
