MAR 27 1985

NOW, THEREFORE, THE REDEVELOPMENT AGENCY OF THE CITY OF SACRAMENTO DOES RESOLVE AS FOLLOWS:

Section 1. The Agency hereby certifies that the Final Environmental Impact Report for the Amended Redevelopment Plan has been completed in compliance with the California Environmental Quality Act, the State CEQA Guidelines and local procedures adopted by the Agency pursuant thereto, and that the Agency has reviewed and considered the information contained in the Final Environmental Impact Report.

Section 2. The Agency has evaluated all comments, written and oral, received from persons who have reviewed the Draft EIR.

Section 3. The Agency hereby makes the written findings set forth in Exhibit A, attached hereto and incorporated by reference herein, for each of the significant effects set forth in said Exhibit A, and further approves the statement of facts in said Exhibit A. Based on such findings and statement of facts, the Agency hereby finds that significant environmental effects have been reduced to an acceptable level in that all significant environmental effects have been eliminated or substantially lessened. Based on the foregoing, the Agency finds and determines that the Amended Redevelopment Plan will not have a significant effect upon the environment.

Section 4. In the event that it is determined that the significant effects identified in Section 3 as being eliminated or substantially lessened are not mitigated or substantially lessened, the Agency hereby finds that, based on the findings and statement of facts set forth in Exhibit A, and based on the Final EIR and/or other information contained in the record, its action to approve and carry out the Amended Redevelopment Plan is supported because it will encourage and assist in effectuating the objectives of the original Redevelopment Plan by eliminating blight, coordinating public and private actions to stimulate development and improving the social, economic and physical conditions of the Project Area.

Section 5. Upon approval and adoption of the Amended Redevelopment Plan by the Council, the Secretary of the Agency is hereby directed to file a Notice of Determination with the County Clerk of Sacramento County and the Secretary of the Resources Agency pursuant to the provisions of Section 21152 of the Public Resources Code and the State CEQA Guidelines adopted pursuant thereto.
