Please state the reason you would like to be a member of this board/commission (or attach):

As a legal professional whose practice focuses on statewide land use and environmental related matters I would like to be more engaged with what is happening within our local communities and the region. I am aware of the rapidly changing regulatory and technological world within which we live and do business and think that Sacramento presents unique opportunities for private companies and public agencies. In the area of greenhouse gas reductions/climate change, for example, we have the potential to partner with local universities like UC Davis, state government, public and private interests to develop forward thinking technologies and programs. Being invited to weigh in on those greater policy decisions and items would be an honor.

Are you currently, or have you in the past, served on an advisory group? Yes No If yes, state the name of the group and how that service supports your application (or attach).

Sacramento Solid Waste Advisory Committee (SWAC).

Do you, or an immediate family member, have any relationship (professional, financial, other) that may present a potential conflict of interest for this advisory group? Yes No If yes, please explain:

Although not foreseeable at this time, if any potential conflicts arise between a current client of my law firm and the Commission's need to advise on a particular project or program I will recuse myself.
