Honorable Members In Session:

SUBJECT: Sacramento Metropolitan Arts Commission's Major Cultural Organizations Awards Program

### SUMMARY

This report provides the Budget and Finance Committee with a status report on the Sacramento Metropolitan Arts Commission's Major Cultural Organizations Awards program. This report is for information only.

### BACKGROUND

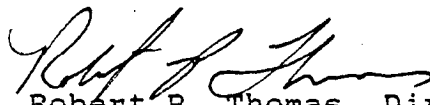

At their June 24, 1986 meeting, City Council appropriated \$30,000 in funding for the Sacramento Symphony Association to be administered through the Sacramento Metropolitan Arts Commission's regranting program. In conjunction with this action, City Council directed the Sacramento Metropolitan Arts Commission to develop policies and guidelines appropriate to a program of financial support for Sacramento's major cultural organizations.

The County Cultural Awards Committee will review the proposed policies and guidelines in August 1986 and after revision the program materials will be forwarded to the Commission for discussion on September 2, 1986. Pending the Commission's review, it is anticipated that on September 9, 1986 the Commission will present its final recommendations to the Budget and Finance Committee and on September 16, 1986 to the City Council for action.

RECOMMENDATION

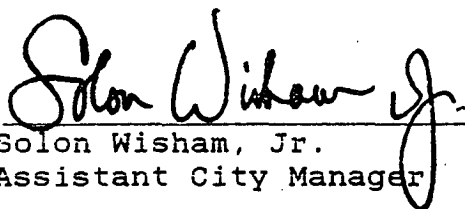

It is recommended that the Budget and Finance Committee review this report and forward it to the City Council for information.

Respectfully submitted,

Robert P. Thomas, Director  
Parks and Community Services
